HOUSE OF REPRESENTATIVES AMENDMENTS TO H.C.R. 2015
(Reference to printed resolution)

1 Page 1, before line 1, insert:

2 "Whereas, regular physical activity strengthens physical health,
3 supports mental well-being and improves academic performance for students
4 of all ages; and

5 Whereas, national health authorities recommend that children and
6 adolescents engage in at least 60 minutes of physical activity each day;
7 and

8 Whereas, public schools influence lifelong habits by integrating
9 movement, nutrition education and experiential learning into the school
10 environment; and

11 Whereas, Arizona's agricultural community plays a vital role in food
12 production, economic stability and education about where food originates;
13 and

14 Whereas, exposure to farming, food preparation and healthy eating
15 practices help students understand nutrition, sanitation and responsible
16 food systems; and

17 Whereas, the United States Department of Health and Human Services
18 published the Dietary Guidelines for Americans, 2025-2030, on January 7,
19 2026 to provide science-based guidance on healthy eating patterns.
