Farnsworth Floor Amendment

Reference to: printed bill

Amendment drafted by: Leg. Council

FLOOR AMENDMENT EXPLANATION

1. Specifies that, of the two full-time equivalent positions (FTEs) appropriated to the Arizona Department of Agriculture (AZDA) from the Commercial Feed Trust Fund, one FTE is for expenses associated with screwworm response and one FTE is for expenses related to a foreign animal disease or pest, a U.S. Department of Agriculture Program disease, a zoonotic disease or any other emerging animal disease responses.
2. Allows AZDA to conduct inspections as part of the response at the border if the border opens for live cattle imports and the State Veterinarian can oversee the screwworm response.
3. Allows, rather than requires, the Arizona Department of Corrections, Rehabilitation and Reentry to prioritize inmates closest to reentry for participation in the Braille Transcription Program.
4. Increases the lump sum appropriation to the Arizona Criminal Justice Commission (ACJC) by \$32,500 and adds the Peace Officer Training Equipment Fund as a funding source for ACJC.
5. Lowers the Department of Economic Security's appropriated FTE positions by 187 FTEs.
6. Removes the requirement for \$2,000,000 from the FY 2026 appropriation to the School Safety Program to be used for the School Safety and Threat Identification Pilot Program.
7. Adds water facilities to the list of eligible recipients to whom the Arizona Department of Homeland Security can award a cyber security grant.
8. Increases the Arizona Vehicle Theft Task Force appropriation under the Department of Insurance and Financial Institutions (DIFI) appropriation by \$100,000 and decreases the Automobile Theft Authority operating budget by \$100,000.
9. Increases the appropriated FTEs to DIFI by 9 FTEs.
10. Requires the monies appropriated to the Arizona Vehicle Theft Task Force to be used to pay for 100 percent of overtime expenditures for city, town and county sworn officers who participate in the Task Force.
11. Stipulates that, if any monies remain from the appropriation for the probation electronic monitoring system operating costs, the Administrative Office of the Courts can use the remaining monies to operate the system for other violent offender populations.

12. Increases the appropriated FTEs to the Department of Liquor Licenses and Control by 4.5 FTEs.
13. Increases the appropriation to the Department of Public Safety for civil air patrol maintenance and operations by \$106,000 from the Highway Patrol Fund.
14. Requires the Arizona Department of Education (ADE) to transfer \$2,000,000 from the FY 2026 appropriation for the School Safety Program to the School Safety Interoperability Fund in FY 2027.
15. Requires the Arizona Department of Administration to distribute the \$2,000,000 transfer to the School Safety Interoperability Fund in FY 2027 to the following entities to install and support school safety projects:
 - a) \$170,800 to the Apache County Sheriff's Office;
 - b) \$173,900 to the Gila County Sheriff's Office;
 - c) \$105,600 to the Greenlee County Sheriff's Office;
 - d) \$124,200 to the La Paz County Sheriff's Office;
 - e) \$326,100 to the Mohave County Sheriff's Office;
 - f) \$335,400 to the Navajo County Sheriff's Office;
 - g) \$217,400 to the Santa Cruz County Sheriff's Office; and
 - h) \$372,700 to the Yavapai County Sheriff's Office.
16. Removes the \$1,500,000 appropriation from the Peace Officer Training Equipment Fund in FY 2027 for fire incident management efforts.
17. Appropriates \$300,000 from the Peace Officer Training Equipment Fund in FY 2027 to the State Treasurer to distribute to ADE for school hardening grants.
18. Appropriates \$1,000,000 from the Peace Officer Training Equipment Fund in FY 2027 to the State Treasurer to distribute to ACJC for providing grants to acquire or implement technology that enhances recruitment and retention activities and exempts the appropriation from lapsing.
19. Specifies that state agencies with law enforcement functions, local law enforcement agencies and tribal police agencies are eligible for the ACJC recruitment and retention grants.
20. Requires the grant monies awarded to be used for recruitment technology-based tools that improve hiring and retention outcomes.
21. Decreases the amount transferred from the Judicial Collection Enhancement Fund from \$8,000,000 to \$1,000,000.
22. Transfers \$4,000,000 from the Juvenile Probation Services Fund and \$3,000,000 from the Court Appointed Special Advocate and Vulnerable Persons Fund to the state General Fund in FY 2027.
23. Makes technical and conforming changes.

30	Prison construction and	
31	operations fund	12,500,100
32	Inmate store proceeds fund	4,084,900

33 Of the amount appropriated in the operating lump sum, \$406,735,800 is designated for
34 personal services and \$234,854,700 is designated for employee-related expenditures. The
35 state department of corrections shall submit an expenditure plan for review by the joint
36 legislative budget committee before spending these monies other than for personal services or
37 employee-related expenditures.

1 After the state department of corrections submits an expenditure plan to the joint
2 legislative budget committee, the department may transfer personal services and employee-
3 related expenditures savings from the operating budget to the private prison per diem line
4 item for private prison staff stipends. The amount of any private prison staff stipend may
5 not exceed the amount given to department staff. The expenditure plan is not subject to
6 review by the joint legislative budget committee.

7 The state department of corrections shall submit an expenditure plan for review by
8 the joint legislative budget committee before spending monies appropriated for the overtime
9 and compensatory time line item other than for personal services or employee-related
10 expenditures.

11 Private prison vendors that contract with this state may use staff vacancy savings to
12 pay for overtime costs without incurring a penalty or staffing offset.

13 Before placing any inmates in out-of-state provisional beds, the state department of
14 corrections shall place inmates in all available prison beds in facilities that are located
15 in this state and that house Arizona inmates, unless the out-of-state provisional beds are of
16 a comparable security level and price.

17 The state department of corrections shall forward to the president of the senate, the
18 speaker of the house of representatives, the chairpersons of the senate and house of
19 representatives appropriations committees and the director of the joint legislative budget
20 committee a monthly report comparing department expenditures for the month and year-to-date
21 as compared to prior year expenditures on or before the thirtieth of the following
22 month. The report shall be in the same format as the prior fiscal year and include an
23 estimate of potential shortfalls, potential surpluses that may be available to offset these
24 shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental
25 appropriation. The report shall include the number of filled and vacant correctional officer
26 and medical staff positions departmentwide and by prison complex.

27 On or before November 1, 2025, the state department of corrections shall provide a
28 report on bed capacity to the joint legislative budget committee. The report shall reflect
29 the bed capacity for each security classification by gender at each state-run and private
30 institution, divided by rated and total beds. The report shall include bed capacity data for
31 June 30, 2024 and June 30, 2025 and the projected capacity for June 30, 2026, as well as the
32 reasons for any change within that time period. Within the total bed count, the department
33 shall provide the number of temporary and special use beds. The report shall also address
34 the department's rationale for eliminating any permanent beds rather than reducing the level
35 of temporary beds. The report shall also include any plans to vacate beds but not
36 permanently remove the beds from the bed count. If the department develops a plan after the
37 department's November 1, 2025 report to open or close one hundred or more state-operated or
38 private prison rated beds, the department shall submit a plan detailing the proposed bed
39 changes for review by the joint legislative budget committee before implementing these
40 changes.

41 One hundred percent of land earnings and interest from the penitentiary land fund
42 shall be distributed to the state department of corrections in compliance with the enabling
43 act and the Constitution of Arizona to be used to support state penal institutions.

44 On or before December 15, 2025 and July 15, 2026, the state department of corrections
45 shall submit a report to the joint legislative budget committee on the progress made in
46 meeting the staffing needs for correctional officers. Each report shall include the number
47 of filled correctional officer positions, the number of vacant correctional officer
48 positions, the number of people in training, the number of separations and the number of
49 hours of overtime worked year-to-date. The report shall detail these amounts both
50 departmentwide and by prison complex.

51 Twenty-five percent of land earnings and interest from the state charitable, penal
52 and reformatory institutions land fund shall be distributed to the state department of
53 corrections in compliance with the enabling act and the Constitution of Arizona to be used to
54 support state penal institutions.

55 Before spending any state education fund for correctional education monies in excess
56 of \$736,400, the state department of corrections shall report the intended use of the monies
57 to the director of the joint legislative budget committee.

58 Before implementing any changes in contracted rates for inmate health care contracted
59 services, the state department of corrections shall submit its expenditure plan for review by
60 the joint legislative budget committee.

1 On or before August 1, 2025 and February 1, 2026, the state department of corrections
2 shall submit a report to the joint legislative budget committee on the status of all inmate
3 health care performance measures that are tracked by the department for contract monitoring
4 purposes. Each report must include:

5 1. The total number of performance measures, by facility, for which the department
6 is not in substantial compliance.

7 2. An explanation for each instance of noncompliance.

8 3. The department's plan to comply with the performance measures.

9 On or before August 1, 2025, the state department of corrections shall transfer to
10 the public safety personnel retirement system via the department of administration its
11 estimated required annual contribution to the corrections officer retirement plan for fiscal
12 year 2025-2026.

13 The department shall report actual fiscal year 2024-2025, estimated fiscal year 2025-
14 2026 and requested fiscal year 2026-2027 expenditures as delineated in the prior year when
15 the department submits its fiscal year 2026-2027 budget request pursuant to section 35-113,
16 Arizona Revised Statutes.

17 The state department of corrections shall use the amount appropriated in the private
18 prison per diem line item to pay private prison contractors for housing and providing medical
19 care to Arizona inmates. Before spending these monies for any other purpose, the department
20 shall submit an expenditure plan for review by the joint legislative budget committee.

21 The amount appropriated in the injunction-related IT upgrades line item shall be used
22 to address information technology improvements as required by the court in the
23 Jensen v. Thorne inmate health care litigation.

24 The state department of corrections shall use the amount appropriated in the
25 noncontract medication line item to purchase medications to treat hepatitis C and for
26 medication-assisted treatment for substance use disorder. Before spending these monies for
27 any other purpose, the department shall submit an expenditure plan for review by the joint
28 legislative budget committee.

29 The \$650,000 appropriated to the state department of corrections by Laws 2023,
30 chapter 133, section 23, in fiscal year 2023-2024 for inmate dog training is exempt from the
31 provisions of section 35-190, Arizona Revised Statutes, relating to the lapsing of
32 appropriations.

33 Of the amount appropriated by Laws 2024, chapter 209, section 31 for the noncontract
34 medication line item, up to \$9,500,000 may be used for the payment of obligations incurred in
35 fiscal year 2023-2024 for the department's operating expenses.

36 The department may use the amount appropriated by Laws 2023, chapter 133, section 23,
37 as amended by Laws 2024, chapter 209, section 8, in fiscal year 2023-2024 for noncontract
38 medication to pay for fiscal year 2023-2024 department operating expenses without seeking
39 review by the joint legislative budget committee.

40 Sec. 2. Subject to applicable laws, the sums or sources of revenue set forth in this
41 act are appropriated for the fiscal years indicated and only from the funding sources listed
42 for the purposes and objects specified. If monies from funding sources in this act are
43 unavailable, no other funding source may be used.

3 The appropriation from the automation operations fund established by section 41-711,
4 Arizona Revised Statutes, is an estimate representing all monies, including balance forward,
5 revenues and transfers during fiscal year 2026-2027. These monies are appropriated to the
6 department of administration for the purposes established in section 41-711, Arizona Revised
7 Statutes. The appropriation is adjusted as necessary to reflect monies credited to the
8 automation operations fund for automation operation center projects. Before spending any
9 automation operations fund monies in excess of \$29,940,400 in fiscal year 2026-2027, the
10 department shall report the intended use of the monies to the joint legislative budget
11 committee.

12 On or before September 1, 2027, the department shall submit a report to the joint
13 legislative budget committee on the results of projects implemented in fiscal year 2026-2027
14 for the state employee public transportation service reimbursements pursuant to section 41-
15 710.01, Arizona Revised Statutes, in a vehicle emissions control area as defined in section
16 49-541, Arizona Revised Statutes, of a county with a population of more than four hundred
17 thousand persons.

18 All state surplus materials revolving fund monies received by the department of
19 administration in excess of \$3,216,200 in fiscal year 2026-2027 are appropriated to the
20 department. Before spending state surplus materials revolving fund monies in excess of
21 \$3,216,200 in fiscal year 2026-2027, the department shall report the intended use of the
22 monies to the joint legislative budget committee.

23 On or before November 1, 2027, the department shall submit a report to the director
24 of the joint legislative budget committee on expenditures made from the cyber risk insurance
25 fund established by section 41-622, Arizona Revised Statutes, from the prior year.

26 On or before March 31, 2027, the department shall submit a report to the director of
27 the joint legislative budget committee and the governor's office of strategic planning and
28 budgeting on the amount that the Maricopa county special health care district has agreed to
29 send to the department for deposit in the state general fund in fiscal year 2026-2027. If
30 the amount that the district has agreed to send to the department for deposit in fiscal year
31 2026-2027 has changed from the amount the district sent to the department for deposit in
32 fiscal year 2025-2026, the report must include the reason for the change.

33 The amount appropriated for the food bank capital line item shall be used for a
34 onetime distribution to a food bank for a capital need. To qualify for distribution in this
35 paragraph, the food bank must be a registered nonprofit organization that is exempt from
36 taxation under section 501(c)(3) of the internal revenue code, have a core mission to provide
37 food to hungry people, have been established between 1980 and 1999, be located in a county
38 with a population of more than four million persons and be headquartered in the city of Mesa.

39 The department shall distribute the amount appropriated for the elected officials'
40 retirement plan offset line item to counties to supplement the normal cost plus an amount to
41 amortize the unfunded accrued liability pursuant to section 38-810, subsection C, Arizona
42 Revised Statutes. The department shall distribute the appropriation equally among all
43 counties with a population of less than three hundred thousand persons according to the 2020
44 United States decennial census. The counties may use the monies allocated in this section
45 only for required employer contributions to the elected officials' retirement plan.

46 Of the amount appropriated in the small county assistance line item, the first
47 \$500,000 shall be distributed to Graham county and the remaining amount shall be distributed
48 equally among all counties with a population of less than nine hundred thousand persons
49 according to the 2020 United States decennial census for maintaining essential county
50 services.

51 The amount appropriated in the county support for corrections officer employer
52 contributions line item shall be distributed to the following counties to fully cover the
53 corrections officer retirement plan employer contribution rate increase as prescribed by
54 section 38-867, Arizona Revised Statutes:

55	1. Apache county	\$ 4,600
56	2. Cochise county	\$ 10,100
57	3. Coconino county	\$ 14,100
58	4. Gila county	\$ 7,700
59	5. Graham county	\$ 7,800
60	6. La Paz county	\$ 4,400
61	7. Maricopa county	\$134,400

1	8. Mohave county	\$ 19,900
2	9. Navajo county	\$ 8,800
3	10. Pima county	\$ 81,300
4	11. Pinal county	\$ 15,100
5	12. Santa Cruz county	\$ 6,600
6	13. Yavapai county	\$ 38,300
7	14. Yuma county	\$ 24,000

8 On or before July 15, 2026, the department shall distribute the full amount
 9 appropriated for the Gila county disaster relief line item in fiscal year 2026-2027 to the
 10 following political subdivisions:

11	1. Town of Miami	\$ 2,500,000
12	2. City of Globe	\$ 2,500,000
13	3. Gila county	\$ 5,000,000

14 On or before July 31, 2026, the department shall distribute the amount appropriated
 15 for the county sheriff support line item in fiscal year 2026-2027 to the sheriff's offices of
 16 the following counties:

17	1. Apache county	\$ 400,000
18	2. Cochise county	\$ 1,100,000
19	3. Coconino county	\$ 400,000

43	State general fund	\$225,015,600
----	--------------------	---------------

44 At least thirty days before any monies are transferred out of the new school
 45 facilities debt service line item, the division of school facilities shall report the
 46 proposed transfer to the director of the joint legislative budget committee.

47 Pursuant to section 35-142.01, Arizona Revised Statutes, any reimbursement received
 48 by or allocated to the division of school facilities under the federal qualified school
 49 construction bond program in fiscal year 2026-2027 shall be deposited in or revert to the
 50 state general fund.

51 Pursuant to section 41-5741, Arizona Revised Statutes, the amount appropriated for
 52 new school facilities shall be used only for facilities and land costs for school districts
 53 that received final approval from the division of school facilities on or before December 15,
 54 2025.

55 After approving a distribution of funding for a land purchase, a land lease or the
 56 construction of a new school, the division of school facilities shall report to the joint
 57 legislative budget committee and the governor's office of strategic planning and budgeting
 58 the final amount of the distribution.

59 The legislature intends that the appropriation to the division of school facilities
 60 in fiscal year 2027-2028 for new school facilities may include up to \$10,000,000 for end of

1 useful life projects that receive final approval from the division of school facilities on or
2 before December 15, 2026 pursuant to section 41-5741, Arizona Revised Statutes.

3 The division of school facilities may use not more than \$27,318,100 of the
4 unencumbered balance in the new school facilities fund established by section 41-5741,
5 Arizona Revised Statutes, for facilities and land costs for school districts that received
6 final approval on or before December 15, 2025 from the division of school facilities pursuant
7 to section 41-5741, Arizona Revised Statutes.

19	Department of revenue subaccount	\$ 5,081,800
20	Medicaid enterprise system	
21	modernization subaccount	12,940,000
22	Arizona medical board subaccount	150,000

23 The amount appropriated for the department of revenue integrated tax system
24 modernization line item shall be spent for an integrated tax system modernization project
25 that meets the following minimum specifications:

26 1. Captures data fields from electronically filed individual and corporate income
27 tax returns and makes the data available for querying and reporting purposes. The system
28 must provide the department of revenue staff, the joint legislative budget committee staff
29 and the governor's office of strategic planning and budgeting staff direct access to the
30 querying and reporting functions. The querying and reporting functions must include
31 procedures to protect taxpayer confidentiality under applicable state and federal law.

32 2. For electronic corporate income tax returns, captures information regarding the
33 principal business activity of the corporation. This requirement may be satisfied through
34 the North American industry classification system data listed on federal tax forms. The tax
35 system must allow for querying and reporting based on principal business activity.

36 3. Includes an integrated individual income tax model within the project and
37 provides the department of revenue staff, the joint legislative budget committee staff and
38 the governor's office of strategic planning and budgeting staff direct access to the
39 individual income tax model. At a minimum, the individual income tax model must allow the
40 department of revenue staff, the joint legislative budget committee staff and the governor's
41 office of strategic planning and budgeting staff to adjust tax law parameters against an
42 anonymized representative sample of income tax returns to estimate the fiscal impact of
43 proposed tax legislation. The individual income tax model must only include data from state
44 and federal tax returns that are captured by the tax system. The individual income tax model
45 must include procedures to protect taxpayer confidentiality under applicable state and
46 federal law.

47 4. Makes individual and corporate income tax data available for querying, modeling
48 and reporting within twenty-four months after the end of a tax year.

49 Transfers to the automation projects fund

50 The sum of \$2,194,100 is transferred from the state general fund in fiscal year 2026-
51 2027 for deposit in the department of revenue subaccount in the automation projects fund
52 established pursuant to section 41-714, Arizona Revised Statutes, to continue the department
53 of revenue's integrated tax system modernization project.

54 The sum of \$1,462,700 is transferred from the department of revenue integrated tax
55 system project fund established pursuant to section 42-5041, Arizona Revised Statutes, in
56 fiscal year 2026-2027 for deposit in the department of revenue subaccount in the automation
57 projects fund established pursuant to section 41-714, Arizona Revised Statutes, to continue
58 the department of revenue's integrated tax system modernization project.

59 The sum of \$12,940,000 is transferred from the state general fund in fiscal year
60 2026-2027 for deposit in the medicaid enterprise system modernization subaccount in the

1 automation projects fund established pursuant to section 41-714, Arizona Revised Statutes, to
2 continue the medicaid enterprise system mainframe modernization project.

3 The sum of \$1,425,000 is transferred from the department of revenue administrative
4 fund established by section 42-1116.01, Arizona Revised Statutes, in fiscal year 2026-2027
5 for deposit in the department of revenue subaccount in the automation projects fund
6 established pursuant to section 41-714, Arizona Revised Statutes, to migrate the department
7 of revenue from the department of revenue's current mainframe to a cloud-based solution.

8 The sum of \$150,000 is transferred from the Arizona medical board fund established by
9 section 32-1406, Arizona Revised Statutes, in fiscal year 2026-2027 for deposit in the
10 Arizona medical board subaccount in the automation projects fund established pursuant to
11 section 41-714, Arizona Revised Statutes, to modernize the Arizona medical board's website.

12 The monies transferred to the automation projects fund established by section 41-714,
13 Arizona Revised Statutes, pursuant to this section are not appropriations from the automation
14 projects fund. Only direct appropriations to the automation projects fund are
15 appropriations.

16 Quarterly Reports

17 Within thirty days after the last day of each calendar quarter, the department of
18 administration shall submit to the joint legislative budget committee a quarterly report on
19 implementing projects approved by the information technology authorization committee
20 established by section 18-121, Arizona Revised Statutes, including expenditures to date,
21 deliverables, timelines for completion and current status of the projects.

22 Nonlapsing

23 The amounts appropriated pursuant to this section from the automation projects fund
24 established by section 41-714, Arizona Revised Statutes, in fiscal year 2026-2027 are exempt
25 from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of
26 appropriations, until June 30, 2028.

27 The \$19,456,800 appropriated to the department of administration by Laws 2024,
28 chapter 209, section 122 in fiscal year 2024-2025 for the department of revenue tax system
29 modernization project is exempt from the provisions of section 35-190, Arizona Revised
30 Statutes, relating to the lapsing of appropriations, until June 30, 2027.

31 The \$3,396,000 appropriated to the department of administration by Laws 2024, chapter
32 209, section 122 in fiscal year 2024-2025 to replace the medicaid enterprise systems
33 mainframe is exempt from the provisions of section 35-190, Arizona Revised Statutes, relating
34 to the lapsing of appropriation, until June 30, 2027.

35 The \$494,500 appropriated to the department of public safety by Laws 2023, chapter
36 133, section 113, in fiscal year 2023-2024 to replace the concealed weapons tracking system
37 is exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to the
38 lapsing of appropriations until June 30, 2027.

39 The following amounts appropriated to the department of administration by Laws 2023,
40 chapter 133, section 113, as amended by Laws 2024, chapter 209, section 11, in fiscal year
41 2023-2024 are exempt from the provisions of section 35-190, Arizona Revised Statutes,
42 relating to the lapsing of appropriations, until June 30, 2027:

43 1. \$6,700,000 for a new information technology platform to authenticate individuals
44 applying for health and human services programs to prevent fraud, waste and abuse.

45 2. \$2,814,600 for the development of several modules associated with the medicaid
46 enterprise system mainframe replacement.

47 3. \$1,685,400 for medicaid enterprise system fraud and waste abuse prevention
48 enhancements.

49 4. \$2,000,000 for medicaid enterprise system systems integrator, which establishes a
50 platform infrastructure in the cloud to serve as the foundation for the modular replacement
51 of the prior prepaid medicaid management information system, and servicenow projects.

52 The \$7,000,000 appropriated to the corporation commission by Laws 2023, chapter 133,
53 section 113 in fiscal year 2023-2024 is exempt from the provisions of section 35-190, Arizona
54 Revised Statutes, relating to lapsing of appropriations. In addition to uses prescribed in
55 Laws 2023, chapter 133, section 113, this amount may be used for post-launch expenses of the
56 corporation commission's online records and filing system, including vendor contracts,
57 licensing, maintenance and technical support. Expenditures from this allocation are not
58 subject to review by the joint legislative budget committee.

29 The amount appropriated for the DES eligibility line item shall be used for
30 intergovernmental agreements with the department of economic security for eligibility
31 determination and other functions. The state general fund share may be used for eligibility
32 determination for other programs administered by the division of benefits and medical
33 eligibility based on the results of the Arizona random moment sampling survey.

34 The amounts included in the proposition 204 – AHCCCS administration, proposition 204
35 – DES eligibility and proposition 204 services line items include all available sources of
36 funding consistent with section 36-2901.01, subsection B, Arizona Revised Statutes.

37 Before spending the monies for the replacement of the prepaid medicaid management
38 information system, the Arizona strategic enterprise technology office shall submit, on
39 behalf of the Arizona health care cost containment system, an expenditure plan for review by
40 the joint legislative budget committee. The report must include the project cost,
41 deliverables, the timeline for completion and the method of procurement that are consistent
42 with the department's prior reports for its appropriations from the automation projects fund.

43 The amount appropriated for the Public Law 119-21 implementation - medicaid line item
44 is exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to
45 lapsing of appropriations, until June 30, 2028.

46 Of the amount appropriated for the Public Law 119-21 implementation - medicaid line
47 item, \$4,000,000 from the state general fund and \$24,400,000 from expenditure authority shall
48 be expended for information technology system upgrades. Any information technology projects
49 funded from the Public Law 119-21 implementation - medicaid line item are exempt from review
50 by the information technology authorization committee established by section 18-121, Arizona
51 Revised Statutes.

52 Medical services and behavioral health services

53 Before making fee-for-service program or rate changes that pertain to fee-for-service
54 rate categories, the Arizona health care cost containment system administration shall report
55 its expenditure plan for review by the joint legislative budget committee.

56 The Arizona health care cost containment system administration shall report to the
57 joint legislative budget committee on or before March 1, 2027 on preliminary actuarial
58 estimates of the capitation rate changes for the following fiscal year along with the reasons
59 for the estimated changes. For any actuarial estimates that include a range, the total range
60 from minimum to maximum may not be more than two percent. Before implementing any changes in
61 capitation rates, the administration shall report its expenditure plan for review by the

1 joint legislative budget committee. Before the administration implements any change in
2 policy affecting the amount, sufficiency, duration and scope of health care services and who
3 may provide services, the administration shall prepare a fiscal impact analysis on the
4 potential effects of this change on the following year's capitation rates. If the fiscal
5 impact analysis demonstrates that this change will result in additional state costs of
6 \$1,000,000 or more for any fiscal year, the administration shall submit the policy change for
7 review by the joint legislative budget committee.

8 The legislature intends that the percentage attributable to administration and profit
9 for the regional behavioral health authorities be nine percent of the overall capitation
10 rate.

11 The Arizona health care cost containment system administration shall transfer up to
12 \$1,200,000 from the traditional medicaid services line item for fiscal year 2026-2027 to the
13 attorney general for costs associated with e-cigarette enforcement and tobacco settlement
14 litigation.

15 The Arizona health care cost containment system administration shall transfer
16 \$836,000 from the traditional medicaid services line item for fiscal year 2026-2027 to the
17 department of revenue for enforcement costs associated with the March 13, 2013 master
18 settlement agreement with tobacco companies.

19 The amount appropriated for the traditional medicaid services line item includes
20 \$4,400,000 from the state general fund and \$7,758,100 from expenditure authority for
21 inpatient payments to rural hospitals as defined in section 36-2905.02, Arizona Revised
22 Statutes.

23 On or before June 30, 2027, the Arizona health care cost containment system
24 administration shall report to the joint legislative budget committee on the progress in
25 implementing the Arnold v. Sarn lawsuit settlement. The report must include, at a minimum,
26 the administration's progress toward meeting all criteria specified in the 2014 joint
27 stipulation, including the development and estimated cost of additional behavioral health
28 service capacity in Maricopa county for supported housing services for one thousand two
29 hundred class members, supported employment services for seven hundred fifty class members,
30 eight assertive community treatment teams and consumer operated services for one thousand
31 five hundred class members. The administration shall also report by fund source the amounts
32 it plans to use to pay for expanded services.

33 The amount appropriated for the enhanced residential treatment program line item is
34 exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing
35 of appropriations. The legislature intends to continue to fund \$2,739,600 from the seriously
36 mentally ill housing trust fund established by section 41-3955.01, Arizona Revised Statutes,
37 and \$5,072,400 from expenditure authority for the enhanced residential treatment program in
38 fiscal years 2027-2028 and 2028-2029 as part of a three-year pilot program.

39 Long-term care

40 Any federal monies that the Arizona health care cost containment system
41 administration passes through to the department of economic security for use in long-term
42 care for persons with developmental disabilities do not count against the long-term care
43 expenditure authority.

44 Pursuant to section 11-292, subsection B, Arizona Revised Statutes, the county
45 portion of the fiscal year 2026-2027 nonfederal costs of providing long-term care system
46 services is \$445,813,900. This amount is included in the expenditure authority fund source.

47 Any supplemental payments received in excess of \$91,455,300 for nursing facilities
48 that serve Arizona long-term care system medicaid patients in fiscal year 2026-2027,
49 including any federal matching monies, by the Arizona health care cost containment system
50 administration are appropriated to the administration in fiscal year 2026-2027. Before
51 spending these increased monies, the administration shall notify the joint legislative budget
52 committee and the governor's office of strategic planning and budgeting of the amount of
53 monies that will be spent under this provision. These payments are included in the
54 expenditure authority fund source.

55 Payments to hospitals

56 Any monies received for disproportionate share hospital payments from political
57 subdivisions of this state, tribal governments and any university under the jurisdiction of
58 the Arizona board of regents, and any federal monies used to match those payments, in fiscal
59 year 2026-2027 by the Arizona health care cost containment system administration in excess of
60 \$208,478,600 are appropriated to the administration in fiscal year 2026-2027. Before
61 spending these increased monies, the administration shall notify the joint legislative budget

1 committee and the governor's office of strategic planning and budgeting of the amount of
2 monies that will be spent under this provision.

3 On or before March 31, 2027, the Arizona health care cost containment system
4 administration shall submit a report to the director of the joint legislative budget
5 committee and the governor's office of strategic planning and budgeting on the amount of
6 directed payments that the Maricopa county special health care district will receive from the
7 safety net services initiative in fiscal year 2026-2027, disaggregated by state match and by
8 federal match.

9 The expenditure authority fund source includes voluntary payments made from political
10 subdivisions for payments to hospitals that operate a graduate medical education program or
11 treat low-income patients and for payments to qualifying providers affiliated with teaching
12 hospitals. The political subdivision portions of the fiscal year 2026-2027 costs of graduate
13 medical education, disproportionate share payments – voluntary match, traditional medicaid
14 services, proposition 204 services and adult expansion services line items are included in
15 the expenditure authority fund source.

16 Any monies for graduate medical education received in fiscal year 2026-2027,
17 including any federal matching monies, by the Arizona health care cost containment system
18 administration in excess of \$569,176,800 are appropriated to the administration in fiscal
19 year 2026-2027. Before spending these increased monies, the administration shall notify the
20 joint legislative budget committee and the governor's office of strategic planning and
21 budgeting of the amount of monies that will be spent under this provision.

22 If any graduate medical education monies remain after the Arizona health care cost
23 containment system administration has funded all eligible graduate medical education programs
24 in counties with a population of less than five hundred thousand persons, the administration
25 may fund the costs of graduate medical education programs operated by community health
26 centers and rural health clinics.

27 Notwithstanding section 36-2903.01, subsection G, paragraph 9, subdivisions (a), (b)
28 and (c), Arizona Revised Statutes, the amount for graduate medical education includes
29 \$5,000,000 from the state general fund and \$9,152,300 from expenditure authority for the
30 direct and indirect costs of graduate medical education programs located in counties with a
31 population of less than five hundred thousand persons. The state general fund amount may
32 supplement, but not supplant, voluntary payments made from political subdivisions for
33 payments to hospitals that operate a graduate medical education program. The administration
34 shall prioritize distribution to programs at hospitals in counties with a higher percentage
35 of persons residing in a health professional shortage area as defined in 42 Code of Federal
36 Regulations part 5.

37 Notwithstanding section 36-2903.01, subsection G, paragraph 9, subdivisions (a), (b)
38 and (c), Arizona Revised Statutes, the amount for graduate medical education includes
39 \$4,000,000 from the state general fund and \$7,321,800 from expenditure authority for the
40 direct and indirect costs of graduate medical education programs located in counties with a
41 population of more than five hundred thousand persons. The state general fund amount may
42 supplement, but not supplant, voluntary payments made from political subdivisions for
43 payments to hospitals that operate a graduate medical education program.

44 Monies appropriated for graduate medical education in this section are exempt from
45 the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of
46 appropriations, until June 30, 2028.

47 Of the amount appropriated from the expenditure authority fund source, \$4,244,300,000
48 is for hospital enhanced access leading to health improvements initiative payments in fiscal
49 year 2026-2027. This amount includes monies from hospital assessments collected pursuant to
50 section 36-2999.72, Arizona Revised Statutes, and any federal monies used to match those
51 payments.

52 Monies appropriated for graduate medical education by Laws 2024, chapter 209, section
53 19 are exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to
54 lapsing of appropriations, until December 31, 2026.

55 Other

56 On or before July 1, 2027, the Arizona health care cost containment system
57 administration shall report to the director of the joint legislative budget committee the
58 total amount of medicaid reconciliation payments and penalties received on or before that
59 date since July 1, 2026.

1 The nonappropriated portion of the prescription drug rebate fund established by
 2 section 36-2930, Arizona Revised Statutes, is included in the federal portion of the
 3 expenditure authority fund source.

 14 item, \$2,000,000 shall be distributed to each of Coconino, Maricopa, Mohave, Navajo, Pima,
 15 Pinal and Yavapai counties in fiscal year 2026-2027 to supplement costs associated with the
 16 operation of an existing coordinated reentry planning services program, \$2,000,000 shall be
 17 distributed to La Paz county to establish a coordinated reentry planning services program and
 18 \$1,000,000 shall be distributed as a grant to establish a statewide coordinated reentry
 19 planning services database. The coordinated reentry planning services grants line item
 20 includes \$3,000,000 from monies deposited in the consumer remediation subaccount of the
 21 consumer restitution and remediation revolving fund established by section 44-1531.02,
 22 Arizona Revised Statutes, that are not related to opioid claims pursuant to section 44-
 23 1531.02, subsection C, Arizona Revised Statutes.

24 The \$900,000 appropriation from the internet crimes against children enforcement fund
 25 established by section 41-199, Arizona Revised Statutes, and the \$378,300 appropriation from
 26 the state general fund for the internet crimes against children enforcement line item are
 27 continuing appropriations and are exempt from the provisions of section 35-190, Arizona
 28 Revised Statutes, relating to lapsing of appropriations, until June 30, 2028.

29 The amount appropriated for the organized retail theft task force line item shall be
 30 used for operational expenses of the organized retail task force and for hiring one attorney,
 31 one paralegal, two investigators and one support staff person within the office of the
 32 attorney general and four peace officers who are assigned to the task force to focus
 33 specifically on investigating and prosecuting organized retail crime.

48 Additional operating resources

49 The department of child safety shall provide training to any new child safety FTE
50 positions before assigning any client caseload duties to any of these employees.

51 The legislature intends that the department of child safety use its funding to
52 achieve a one hundred percent investigation rate.

53 All expenditures made by the department of child safety for attorney general legal
54 services shall be funded only from the attorney general legal services line item. Monies in
55 department of child safety line items intended for this purpose shall be transferred to the
56 attorney general legal services line item before expenditure.

57 On or before September 1, 2026, the department of child safety shall submit a report
58 to the joint legislative budget committee and the governor's office of strategic planning and
59 budgeting on the actual operating expenses for the guardian case management system in fiscal
60 year 2025-2026 and the proposed system operating expenses for the system in fiscal year 2026-
61 2027.

Out-of-home placements

The department of child safety may transfer up to ten percent of the total amount of federal temporary assistance for needy families block grant monies appropriated to the department of economic security and the department of child safety to the social services block grant. Before transferring federal temporary assistance for needy families block grant monies to the social services block grant, the department of child safety shall report the proposed amount of the transfer to the director of the joint legislative budget committee. This report may be in the form of an expenditure plan that is submitted at the beginning of the fiscal year and updated, if necessary, throughout the fiscal year.

The amount appropriated for kinship care shall be used for a stipend of \$300 per month for a relative caretaker, including a grandparent, any level of great-grandparent or any non-grandparent relative, or a caretaker of fictive kinship, if a dependent child is placed in the care of a relative caretaker or caretaker of fictive kinship pursuant to department guidelines. The department shall provide the stipend on behalf of all children placed with an unlicensed kinship foster care parent. The unlicensed kinship foster care parent is not required to file an application to receive the stipend. Before changing the eligibility for the program or the amount of the stipend, the department shall submit a report for review by the joint legislative budget committee detailing the proposed changes.

On or before March 31, 2027, the department of child safety shall report to the joint legislative budget committee the number of children who are part of the kinship stipend program and reside with a nonrelative caretaker of fictive kinship.

Support services

The preventive services line item appropriation includes \$264,400 from the state general fund to draw down \$1,322,000 in additional federal monies associated with the community-based child abuse prevention block grant. If grant monies are no longer available, the appropriation is reduced by the amounts of \$264,400 from the general fund and \$1,322,000 from child safety expenditure authority.

The department shall notify the director of the joint legislative budget committee and the governor's office of strategic planning and budgeting if the nurturing parenting and family connections programs are favorably reviewed by the federal government and qualify for federal reimbursement.

Comprehensive health plan

Of the amount appropriated in the comprehensive health plan services line item in fiscal year 2024-2025 by Laws 2024, chapter 209, section 25, as amended by Laws 2025, chapter 233, section 1, \$43,787,500 is exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of appropriations, until June 30, 2027.

Department-wide

The amount appropriated for any line item may not be transferred to another line item or to the operating budget unless the transfer is reviewed by the joint legislative budget committee, except that transfers between any two line items relating to the comprehensive health plan or between any two out-of-home placements line items are not subject to review.

Child safety expenditure authority includes all department funding sources excluding the state general fund, the federal child care and development fund block grant, the federal temporary assistance for needy families block grant, the child abuse prevention fund established by section 8-550.01, Arizona Revised Statutes, the children and family services training program fund established pursuant to section 8-503.01, Arizona Revised Statutes, and the comprehensive health plan expenditure authority fund established pursuant to section 8-512.02, Arizona Revised Statutes.

On or before December 1, 2026, the department of child safety shall submit a report to the joint legislative budget committee on the department's efforts to implement the family first prevention services act of 2018 (P.L. 115-123). The report must quantify the department's efforts in at least the following areas, including any associated fiscal impacts:

1. Reducing the number of children placed for more than two weeks in congregate care settings, excluding qualified residential treatment programs, facilities for pregnant and parenting youth, supervised independent living and specialized programs for victims of sex trafficking.

2. Assisting congregate care providers in attaining status as qualified residential treatment programs.

3. Identifying alternative placements, including therapeutic foster homes, for children who would otherwise be placed in congregate care.

1 4. Expanding evidence-based, in-home parent skill-based programs and mental health
2 and substance abuse prevention and treatment services.

3 Benchmarks

4 For the purposes of this section:

5 1. "Backlog case":

6 (a) Means any nonactive case for which documentation has not been entered in the
7 child welfare automated system for at least sixty days and for which services have not been
8 authorized for at least sixty days and any case that has had an investigation, has been
9 referred to another unit and has had no contact for at least sixty days.

10 (b) Includes any case for which the investigation has been open without any
11 documentation or contact for at least sixty days, any case involving in-home services for
12 which there has been no contact or services authorized for at least sixty days and any case
13 involving foster care in which there has been no contact or any documentation entered in the
14 child welfare automated system for at least sixty days.

15 2. "Long-term case" means any case in which the child has been in an out-of-home
16 placement for at least eighteen months.

17 3. "Open report" means a report that is under investigation or awaiting closure by a
18 supervisor.

19 On or before February 28, 2027 and August 31, 2027, the department of child safety
20 shall present a report to the joint legislative budget committee on the progress made during
21 July 2026 through December 2026 and January 2027 through June 2027, respectively, in meeting
22 the caseload standard and reducing the number of backlog and long-term cases. Each report
23 must include the number of backlog cases, the number of open reports, the number of long-term
24 cases and the caseworker workload in comparison to the previous six months. Each report must
25 provide the number of backlog cases by disposition, including the number of backlog cases in
26 the investigation phase, the number of backlog cases associated with out-of-home placements
27 and the number of backlog cases associated with in-home cases.

28 To determine the caseworker workload, the department shall report the number of case-
29 carrying caseworkers at each field office and the number of investigations, in-home cases and
30 long-term cases assigned to each field office.

31 For backlog cases, the department's benchmark is 1,000 cases.

32 For open reports, the department's benchmark is fewer than 8,000 open reports.

33 For long-term cases, the department's benchmark is 3,323 cases.

34 If the department of child safety has not submitted a required report within thirty
35 days after the report is due, the director of the joint legislative budget committee shall
36 inform the general accounting office of the department of administration, which shall
37 withhold two percent of the department of child safety's operating lump sum semiannual budget
38 allocation until the department of child safety submits the required report.

3	operations fund	9,656,300

4 Private prison vendors that contract with this state may use staff vacancy savings to
5 pay for overtime costs without incurring a penalty or staffing offset.

6 Before placing any inmates in out-of-state provisional beds, the state department of
7 corrections shall place inmates in all available prison beds in facilities that are located
8 in this state and that house Arizona inmates, unless the out-of-state provisional beds are of
9 a comparable security level and price.

10 The state department of corrections shall forward to the president of the senate, the
11 speaker of the house of representatives, the chairpersons of the senate and house of
12 representatives appropriations committees and the director of the joint legislative budget
13 committee a monthly report comparing department expenditures for the month and year-to-date
14 as compared to prior year expenditures on or before the thirtieth of the following
15 month. The report must be in the same format as the prior fiscal year and include an
16 estimate of potential shortfalls, potential surpluses that may be available to offset these
17 shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental
18 appropriation. The report must include the number of filled and vacant correctional officer
19 and medical staff positions departmentwide and by prison complex.

20 On or before November 1, 2026, the state department of corrections shall provide a
21 report on bed capacity to the joint legislative budget committee. The report must reflect
22 the bed capacity for each security classification by gender at each state-run and private
23 institution, divided by rated and total beds. The report must include bed capacity data for
24 June 30, 2025 and June 30, 2026 and the projected capacity for June 30, 2027, as well as the
25 reasons for any change within that time period. Within the total bed count, the department
26 shall provide the number of temporary and special use beds. The report must also address the
27 department's rationale for eliminating any permanent beds rather than reducing the level of
28 temporary beds. The report must also include any plans to vacate beds but not permanently
29 remove the beds from the bed count. If the department develops a plan after the department's
30 November 1, 2026 report to open or close one hundred or more state-operated or private prison
31 rated beds, the department shall submit a plan detailing the proposed bed changes for review
32 by the joint legislative budget committee before implementing these changes.

33 One hundred percent of land earnings and interest from the penitentiary land fund
34 shall be distributed to the state department of corrections in compliance with the enabling
35 act and the Constitution of Arizona to be used to support state penal institutions.

36 On or before December 30, the state department of corrections shall submit a report
37 to the joint legislative budget committee on the progress made in meeting the staffing needs
38 for correctional officers. Each report must include the number of filled correctional
39 officer positions, the number of vacant correctional officer positions, the number of people
40 in training, the number of separations and the number of hours of overtime worked for the
41 prior fiscal year. The report must detail these amounts both departmentwide and by prison
42 complex.

43 Twenty-five percent of land earnings and interest from the state charitable, penal
44 and reformatory institutions land fund shall be distributed to the state department of
45 corrections in compliance with the enabling act and the Constitution of Arizona to be used to
46 support state penal institutions.

47 Before spending any state education fund for correctional education monies in excess
48 of \$703,200, the state department of corrections shall report the intended use of the monies
49 to the director of the joint legislative budget committee.

50 Before implementing any changes in contracted rates for Jensen v. Thornell
51 compliance, the state department of corrections shall submit its expenditure plan for review
52 by the joint legislative budget committee.

53 On or before January 31, 2027, the state department of corrections shall submit a
54 report to the joint legislative budget committee on the status of all inmate health care
55 performance measures that are tracked by the department for contract monitoring
56 purposes. The report must include:

- 57 1. The total number of performance measures, by facility, for which the department
- 58 is not in substantial compliance.
- 59 2. An explanation for each instance of noncompliance.
- 60 3. The department's plan to comply with the performance measures.

1 On or before August 1, 2026, the state department of corrections shall transfer to
2 the public safety personnel retirement system via the department of administration its
3 estimated required annual contribution to the corrections officer retirement plan for fiscal
4 year 2026-2027.

5 The department shall use the amount appropriated in the private prison contracted
6 services line item to pay private prison contractors for housing and providing medical care
7 to Arizona inmates. Before spending these monies for any other purpose, the department shall
8 submit an expenditure plan for review by the joint legislative budget committee.

9 The amount appropriated in the private prison contracted services line item includes
10 \$3,767,200 for the purpose of awarding a correctional officer salary increase. The state
11 department of corrections shall increase the contracted rates in fiscal year 2026-2027 to
12 provide an amount sufficient for a four percent salary increase to each correctional officer
13 employed in a private prison that contracts with this state.

14 The department's lump sum appropriation includes funding to convert the onetime
15 stipend for corrections officers equal to four percent of the correctional officer's annual
16 salary as appropriated in fiscal year 2025-2026 into a four percent annual salary increase in
17 fiscal year 2026-2027.

18 Notwithstanding any other law, projects related to the purchase and deployment of
19 body-worn cameras and the associated equipment to support body-worn camera deployment at the
20 department are exempt from the review and approval by the information technology
21 authorization committee required by section 18-121, Arizona Revised Statutes.

22 Of the amount appropriated in the Jensen v. Thornell compliance line item, the
23 department is authorized to distribute not more than \$45,097,700 to a contracted health care
24 provider contingent on the execution of a signed amendment to the current contracted health
25 care provider contract that includes the following:

26 1. Increases the health care staffing level in accordance with the department's
27 directives.

28 2. Adopts quarterly reporting requirements from the health care provider to the
29 department, the governor's office of strategic planning and budgeting staff and the joint
30 legislative budget committee staff that includes the prior quarter staffing levels by
31 position type, number of FTE positions, current progress towards outlined staffing goals and
32 justification of why the staffing levels outlined in paragraph 1 of this section are or are
33 not being met.

34 3. Adopts a quarterly distribution schedule based on the health care provider
35 meeting and maintaining staffing levels outlined in paragraph 1 of this section.

36 4. Adds automatic sanctioning or fines associated with failure to fill staffing

1 Aging and adult services

2 Of the amount appropriated for the adult services line item, \$5,000,000 is exempt
3 from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of
4 appropriations.

5 Of the amount appropriated for the adult services line item, the department shall
6 distribute \$500,000 to the inter tribal area agency on aging and \$500,000 to the Navajo
7 Nation area agency on aging.

8 Monies in the civil legal aid line item shall be distributed to nonprofit
9 organizations to provide statewide general civil legal aid services consistent with the terms
10 and restrictions of the legal services corporation as of federal fiscal year 2026.

11 Of the monies appropriated by Laws 2025, chapter 233, section 29 to the department of
12 economic security for the coordinated homeless services line item, \$15,500,000 is exempt from
13 the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of
14 appropriations, until June 30, 2027.

15 All domestic violence services fund monies in excess of \$4,000,300 received by the
16 department of economic security are appropriated for the domestic violence prevention line
17 item. Before spending these increased monies, the department shall report the intended use
18 of monies in excess of \$4,000,300 to the joint legislative budget committee.

19 On or before December 15, 2026, the department of economic security shall report to
20 the joint legislative budget committee the amount of state and federal monies available
21 statewide for domestic violence prevention funding. The report must include, at a minimum,
22 the amount of monies available and the state fiscal agent receiving those monies.

23 Monies appropriated by Laws 2025, chapter 233, section 29 to the department of
24 economic security for the homeless veterans services line item are exempt from the provisions
25 of section 35-190, Arizona Revised Statutes, relating to lapsing of appropriations, until
26 June 30, 2027.

27 Monies appropriated by Laws 2025, chapter 233, section 29 to the department of
28 economic security for the homeless veterans strategic plan line item are exempt from the
29 provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of
30 appropriations, until June 30, 2027.

31 Benefits and medical eligibility

32 The operating lump sum appropriation may be spent on Arizona health care cost
33 containment system eligibility determinations based on the results of the Arizona random
34 moment sampling survey.

35 The amount appropriated for the Public Law 119-21 implementation - SNAP line item is
36 exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing
37 of appropriations, until June 30, 2028.

38 The amount appropriated for the summer food benefits administration line item is
39 exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing
40 or appropriations, until October 31, 2027.

41 Child support enforcement

42 All state shares of retained earnings, fees and federal incentives in excess of
43 \$17,615,600 received by the division of child support enforcement are appropriated for
44 operating expenses. New FTE positions are authorized with the increased funding. Before
45 spending these increased monies, the department of economic security shall report the
46 intended use of the monies to the joint legislative budget committee.

47 Developmental disabilities

48 On or before September 1, 2027, the department of economic security shall report to
49 the president of the senate, the speaker of the house of representatives, the chairpersons of
50 the senate and house of representatives appropriations committees and the director of the
51 joint legislative budget committee any new placement into a state-owned ICF-IID or the
52 Arizona training program at the Coolidge campus in fiscal year 2026-2027 and the reason for
53 this placement, rather than a placement into a privately run facility for persons with
54 developmental disabilities, was deemed as the most appropriate placement. The department
55 shall also report if no new placements were made. On or before September 1, 2027, the
56 department shall also report to the director of the joint legislative budget committee the
57 total costs associated with the Arizona training program at Coolidge in fiscal year 2026-
58 2027.

59 The department of economic security shall report to the joint legislative budget
60 committee on or before March 1 of each year on preliminary actuarial estimates of the
61 capitation rate changes for the following fiscal year along with the reasons for the

1 estimated changes. For any actuarial estimates that include a range, the total range from
2 minimum to maximum may not be more than two percent. Before implementing any changes in
3 capitation rates for the long-term care system, the department shall submit a report for
4 review by the joint legislative budget committee. Before the department implements any
5 change in policy affecting the amount, sufficiency, duration and scope of health care
6 services and who may provide services, the department shall prepare a fiscal impact analysis
7 on the potential effects of this change on the following year's capitation rates. If the
8 fiscal impact analysis demonstrates that this change will result in additional state costs of
9 \$500,000 or more for any fiscal year, the department shall submit the policy change for
10 review by the joint legislative budget committee.

11 Before implementing developmental disabilities or long-term care statewide provider
12 rate adjustments that are not already specifically authorized by the legislature, court
13 mandates or changes to federal law, the department of economic security shall submit a report
14 for review by the joint legislative budget committee that includes, at a minimum, the
15 estimated cost of the provider rate adjustment and the ongoing source of funding for the
16 adjustment, if applicable.

17 On or before March 1, 2027, the department of economic security shall provide to the
18 governor, the president of the senate, the speaker of the house of representatives, the
19 chairpersons of the senate and house of representatives appropriations committees and the
20 director of the joint legislative budget committee a report on the utilization of covered
21 services under the developmental disabilities program by disability classification. The
22 report must include the total expenditures for each covered service by primary diagnosis in
23 fiscal year 2025-2026.

24 Before transferring any monies in or out of the case management –medicaid and case
25 management – state-only and developmental disabilities administration line items and before
26 transferring any monies in or out of the operating lump sum item related to the developmental
27 disabilities program and its administration, the department of economic security shall submit
28 a report for review by the joint legislative budget committee, except that transfers from the
29 state match transfer from AHCCCS line item into those line items do not require a report for
30 review.

31 On or before January 31, 2027, the department of economic security shall submit a
32 report to the joint legislative budget committee regarding expenditures from the high-need
33 client supplement line item in the previous fiscal year. The report must include the number
34 of clients and total amounts spent from the line item in each setting type along with
35 expenditures for those clients in other line items. The report must also include cost
36 effectiveness spending in other line items.

37 Employment and rehabilitation services

38 On or before December 31, 2026 and June 30, 2027, the department of economic security
39 shall submit a report to the joint legislative budget committee regarding federal child care
40 monies. The report must include, at a minimum, the actual revenues delineated by fund
41 source, the actual year-to-date expenditures by purpose and fund source and the beginning and
42 ending balances for all fund sources for the preceding six months. The report must also
43 include projected annual revenues, expenditures and balances for the current year and the
44 budget year.

45 The department of economic security shall forward to the joint legislative budget
46 committee a monthly report listing data on the child care population served. The report must
47 include, at a minimum, in each program the number of unduplicated children enrolled in child
48 care within the department of economic security and the department of child safety by program
49 and the average amount paid per child plus quality-related spending.

50 All workforce investment act grant monies that are received by this state in excess
51 of \$87,109,200 are appropriated to the workforce innovation and opportunity act services line
52 item. Before spending these increased monies, the department of economic security shall
53 report the intended use of monies in excess of \$87,109,200 to the joint legislative budget
54 committee.

55 Department-wide

56 The above appropriations are in addition to monies granted to this state by the
57 federal government for the same purposes but are deemed to include the sums deposited in the
58 state treasury to the credit of the department of economic security pursuant to section
59 42-5029, Arizona Revised Statutes.

60 The department of economic security shall forward to the president of the senate, the
61 speaker of the house of representatives, the chairpersons of the senate and house of

1 representatives appropriations committees and the director of the joint legislative budget
 2 committee a monthly report comparing total expenditures for the month and year-to-date as
 3 compared to prior year totals on or before the thirtieth of the following month. The report
 4 must include an estimate of potential shortfalls in entitlement programs and potential
 5 federal and other monies, such as the statewide assessment for indirect costs, and any
 6 projected surplus in state-supported programs that may be available to offset these
 7 shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental
 8 appropriation.

50 Any monies available to the department of education pursuant to section 42-5029.02,
 51 subsection A, paragraph 5, Arizona Revised Statutes, for the increased cost of basic state
 52 aid under section 15-971, Arizona Revised Statutes, due to added school days in excess of the
 53 expenditure authority amounts are allocated for the purposes of section 42-5029.02,
 54 subsection A, paragraph 5, Arizona Revised Statutes.

55 The monies appropriated for the onetime additional assistance supplement line item
 56 includes \$23,142,000 for a onetime district additional assistance supplement and \$5,858,000
 57 for a onetime charter additional assistance supplement. The department of education shall
 58 distribute the amount for the onetime district additional assistance supplement to school
 59 districts on a proportional basis based on the district additional assistance funding that
 60 each school district in this state receives in fiscal year 2026-2027 and increase the budget
 61 limits accordingly pursuant to section 15-947, Arizona Revised Statutes. A school district

1 may budget the monies received from the onetime additional assistance supplement in either
2 the school district's maintenance and operation fund or unrestricted capital outlay
3 fund. The department of education shall distribute the amount for a onetime charter
4 additional assistance supplement to charter schools on a proportional basis based on the
5 charter additional assistance funding that each charter school in this state receives in
6 fiscal year 2026-2027.

7 The department of education shall distribute the appropriated amount for the onetime
8 FRPL group B weight supplement line item to school districts and charter schools on a pro
9 rata basis using the weighted student count for FRPL pupils for the school district or
10 charter school pursuant to section 15-943, paragraph 2, subdivision (b), Arizona Revised
11 Statutes, and shall increase the budget limits accordingly pursuant to section 15-947,
12 Arizona Revised Statutes. A school district may budget the monies received from the onetime
13 FRPL group B weight supplement in either the school district's maintenance and operation fund
14 or unrestricted capital outlay fund.

15 The department of education shall allocate the appropriated amount for the state aid
16 supplement to districts and charter schools on a pro rata basis using the weighted student
17 count for the school district or charter school for the fiscal year pursuant to section
18 15-943, paragraph 2, subdivision (a), Arizona Revised Statutes, and increase the budget
19 limits pursuant to section 15-947, Arizona Revised Statutes, accordingly. The weighted
20 student count for a school district that serves as the district of attendance for nonresident
21 pupils shall be increased to include nonresident pupils who attend school in the district.

22 Other programs

23 Any monies available to the department of education for the classroom site fund
24 pursuant to section 37-521, subsection B, paragraph 4, Arizona Revised Statutes, and section
25 42-5029.02, subsection A, paragraph 11, Arizona Revised Statutes, in excess of expenditure
26 authority amounts are allocated for the purposes of section 37-521, subsection B, paragraph
27 4, Arizona Revised Statutes, and section 42-5029.02, subsection A, paragraph 11, Arizona
28 Revised Statutes.

29 Any monies available to the department of education from the instructional
30 improvement fund established by section 15-979, Arizona Revised Statutes, in excess of the
31 expenditure authority amounts are allocated for the purposes of section 15-979, Arizona
32 Revised Statutes.

33 Before making any changes to the achievement testing program that will increase
34 program costs, the department of education and the state board of education shall submit the
35 estimated fiscal impact of those changes to the joint legislative budget committee for
36 review.

37 Any monies available to the department of education for accountability purposes
38 pursuant to section 42-5029.02, subsection A, paragraph 7, Arizona Revised Statutes, in
39 excess of the expenditure authority amounts are allocated for the purposes of section
40 42-5029.02, subsection A, paragraph 7, Arizona Revised Statutes.

41 The department of education may use the appropriated amount for accountability and
42 achievement testing in fiscal year 2026-2027 for costs of the English language proficiency
43 assessments required by section 15-756.05, Arizona Revised Statutes.

44 Monies appropriated for CTED completion grants are intended to help fund program
45 completion for students who complete at least fifty percent of a career technical education
46 program before graduating from high school and who successfully complete the career technical
47 education district program after graduating from high school. The application procedures
48 shall award grant funding only after an eligible student has successfully completed a career
49 technical education district program.

50 If the appropriated amount for CTED completion grants is insufficient to fund all
51 grant requests from career technical education districts, the department of education shall
52 reduce grant amounts on a proportional basis in order to cap total statewide allocations at
53 \$1,000,000.

54 The appropriated amount for CTED completion grants is exempt from the provisions of
55 section 35-190, Arizona Revised Statutes, relating to lapsing of appropriations, until June
56 30, 2028.

57 The department of education shall distribute the appropriated amount for CTED soft
58 capital and equipment to career technical education districts with fewer than two thousand
59 average daily membership pupils for soft capital and equipment expenses. The appropriated
60 amount shall be allocated on a pro rata basis based on the average daily membership of
61 eligible career technical education districts.

1 The department of education shall use the appropriated amount for English learner
2 administration to provide English language acquisition services for the purposes of section
3 15-756.07, Arizona Revised Statutes, and for the costs of providing English language
4 proficiency assessments, scoring and ancillary materials as prescribed by the department of
5 education to school districts and charter schools for the purposes of title 15, chapter 7,
6 article 3.1, Arizona Revised Statutes. The department may use a portion of the appropriated
7 amount to hire staff or contract with a third party to carry out the purposes of section
8 15-756.07, Arizona Revised Statutes. Notwithstanding section 41-192, Arizona Revised
9 Statutes, the superintendent of public instruction also may use a portion of the appropriated
10 amount to contract with one or more private attorneys to provide legal services in connection
11 with the case of Flores v. State of Arizona, No. CIV 92-596-TUC-RCC.

12 The department of education shall use the appropriated amount for geographic literacy
13 to issue a grant to a statewide geographic alliance for strengthening geographic literacy in
14 this state.

15 The department of education shall use the appropriated amount for jobs for Arizona
16 graduates to issue a grant to a nonprofit organization for a JOBS for Arizona graduates
17 program.

18 The department of education shall distribute the appropriated amount for onetime
19 school meal grants to school districts and charter schools that participate in the national
20 school lunch program or school breakfast program established under the national school lunch
21 and child nutrition acts (42 United States Code section 1751 through 1793) for grants to
22 reduce or eliminate copayments that would otherwise be charged to children eligible for
23 reduced-price meals. If the appropriated amount is insufficient to cover the grant awards
24 for all eligible grantees, the department shall reduce each grant proportionately to ensure
25 all eligible grantees receive proportional grants.

26 The amount appropriated for the school safety program in fiscal year 2022-2023
27 pursuant to Laws 2022, chapter 313, section 31, as amended by Laws 2024, chapter 209, section
28 1, included an increase of \$50,000,000 for additional school safety grants. In allocating
29 the \$50,000,000 increase, the department of education shall first distribute monies to
30 schools on the school safety program waiting list to receive grants for the costs of placing
31 school resource officers on school campuses. The awarded grants may not supplant funding
32 provided by local governments for school resource officers. If the total cost of funding
33 grants for school resource officers is less than \$50,000,000, the department may allocate the
34 remaining monies to grants to schools for the costs of placing school counselors and social
35 workers on school campuses pursuant to section 15-154, Arizona Revised Statutes.

36 Any monies available to the department of education for school safety pursuant to
37 section 42-5029.02, subsection A, paragraph 6, Arizona Revised Statutes, in excess of the
38 expenditure authority amounts are allocated for the purposes of section 42-5029.02,
39 subsection A, paragraph 6, Arizona Revised Statutes.

40 ~~[Of the amount appropriated by Laws 2025, chapter 233, section 31 for the school~~
41 ~~safety program, \$2,000,000 shall be used to fund the school safety and threat identification~~
42 ~~pilot program established by law.]~~

43 Of the amount appropriated by Laws 2025, chapter 233, section 31 for the school
44 safety program, \$100,000 shall be used to fund the child sexual abuse and assault awareness
45 and prevention pilot program established by law.

46 After review by the joint legislative budget committee, in fiscal year 2026-2027, the
47 department of education may use a portion of its fiscal year 2026-2027 state general fund
48 appropriations for basic state aid, additional state aid or the special education fund to
49 fund a shortfall in funding for basic state aid, additional state aid or the special
50 education fund, if any, that occurred in fiscal year 2025-2026.

51 The department of education shall provide an updated report on its budget status
52 every three months for the first half of each fiscal year and every month thereafter to the
53 president of the senate, the speaker of the house of representatives, the chairpersons of the
54 senate and house of representatives appropriations committees, the director of the joint
55 legislative budget committee and the director of the governor's office of strategic planning
56 and budgeting. Each report must include, at a minimum, the department's current funding
57 surplus or shortfall projections for basic state aid and other major formula-based programs
58 and is due thirty days after the end of the applicable reporting period.

59 Within fifteen days after each apportionment of state aid that occurs pursuant to
60 section 15-973, subsection B, Arizona Revised Statutes, the department of education shall

1 post on its website the amount of state aid apportioned to each recipient and the underlying
2 data.

17 The \$3,533,300 national guard matching funds appropriation is exempt from the
18 provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of
19 appropriations, except that all fiscal year 2026-2027 monies remaining unexpended and
20 unencumbered on December 31, 2027 revert to the state general fund.

21 The appropriated amount for the national guard tuition reimbursement line item is
22 exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing
23 of appropriations, until September 30, 2027.

24 Of the \$13,300,000 appropriated to the department by Laws 2022, chapter 313, section
25 32 in fiscal year 2022-2023 for a onetime maintenance backfill, the department may use any
26 remaining unexpended and unencumbered monies for the construction of the Arizona army
27 national guard surprise readiness center in the city of Surprise.

58 The department of environmental quality shall report annually on the progress of
59 WQARF activities, including emergency response, priority site remediation, cost recovery
60 activity, revenue and expenditure activity and other WQARF-funded program activity. The
61 department shall submit the fiscal year 2026-2027 report to the joint legislative budget

1 committee on or before September 1, 2026. This report must also include a budget for the
 2 WQARF program that is developed in consultation with the WQARF advisory board. This budget
 3 shall specify the monies budgeted for each listed site during fiscal year 2026-2027. In
 4 addition, the department and the WQARF advisory board shall prepare and submit to the joint
 5 legislative budget committee, on or before October 1, 2026, a report in a table format
 6 summarizing the current progress on remediation of each listed site on the WQARF
 7 registry. The table shall include the stage of remediation for each site at the end of
 8 fiscal year 2025-2026, indicate whether the current stage of remediation is anticipated to be
 9 completed in fiscal year 2026-2027 and indicate the anticipated stage of remediation at each
 10 listed site at the end of fiscal year 2026-2027, assuming fiscal year 2026-2027 funding
 11 levels. The department and the WQARF advisory board may include other relevant information
 12 about the listed sites in the table.

13 All permit administration fund monies received by the department of environmental
 14 quality in excess of \$7,536,400 in fiscal year 2026-2027 are appropriated to the
 15 department. Before spending permit administration fund monies in excess of \$7,536,400 in
 16 fiscal year 2026-2027, the department shall report the intended use of the monies to the
 17 joint legislative budget committee.

18 All monies in the department of environmental quality indirect cost fund established
 19 by section 49-115, Arizona Revised Statutes, including the beginning balance, that are in
 20 excess of \$19,603,200 in fiscal year 2026-2027 are appropriated to the department. Before
 21 spending indirect cost fund monies in excess of \$19,603,200 in fiscal year 2026-2027, the
 22 department shall report the intended use of the monies to the joint legislative budget
 23 committee.

24 The operating lump sum appropriation includes \$776,600 from the water quality fee
 25 fund established by section 49-210, Arizona Revised Statutes, for two FTE positions to
 26 process an increase in permit applications resulting from revised aquifer water quality
 27 standards. The department of environmental quality may only spend these monies if matching
 28 amounts of aquifer protection permit program fees collected pursuant to section 49-241.02,
 29 Arizona Revised Statutes, are deposited in the water quality fee fund established by section
 30 49-210, Arizona Revised Statutes, by the end of fiscal year 2026-2027.

48 Of the amount appropriated for the operating lump sum, \$100,000 shall be used for a
 49 suicide prevention coordinator to assist school districts and charter schools in suicide
 50 prevention efforts. On or before September 1, 2027, the department of health services, in
 51 consultation with the department of education, shall report to the governor, the president of
 52 the senate, the speaker of the house of representatives, the director of the joint
 53 legislative budget committee and the director of the governor's office of strategic planning
 54 and budgeting on the suicide prevention coordinator's accomplishments in fiscal year 2026-
 55 2027.

56 The department of health services may use up to four percent of the amount
 57 appropriated for nonrenal disease management for the administrative costs to implement the
 58 program.

59 The department of health services shall distribute monies appropriated for the
 60 biomedical research support line item to a nonprofit medical research institute headquartered
 61 in this state that specializes in biomedical research focusing on applying genomic

1 technologies and sequencing to clinical care, that has served as a resource to this state to
 2 conduct molecular epidemiologic analyses to assist with disease outbreak investigations and
 3 that collaborates with universities, hospitals and health science research centers and other
 4 public and private bioscience and related industries in this state. The recipient of these
 5 monies shall commission an audit of the expenditure of these monies and shall submit a copy
 6 of the audit to the department of health services on or before February 1, 2028.

7 The department of health services shall distribute monies appropriated for
 8 Alzheimer's disease research through a grant to a charitable organization that is qualified
 9 under section 501(c)(3) of the internal revenue code and that meets the following criteria:

10 1. Is headquartered in this state.
 11 2. Has been operating in this state for at least the last ten years.
 12 3. Has participating member institutions that work together to end Alzheimer's
 13 disease within a statewide collaborative model by using their complementary strengths in
 14 brain imaging, computer science, genomics, basic and cognitive neurosciences and clinical and
 15 neuropathology research.

16 4. Has participating member institutions that educate residents of this state about
 17 Alzheimer's disease, research progress and resources to help patients, families and
 18 professionals manage the disease.

19 The terms of the grant made to the charitable organization may not impose any
 20 requirements that were not imposed in prior grant agreements entered into between the
 21 department of health services and the charitable organization.

22 The amount appropriated in the cooling centers for heat relief line item is exempt
 23 from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of
 24 appropriations, until October 31, 2027.

25 The amount appropriated to the radiation protection system grants line item shall be
 26 used by the department to establish and administer a grant program to assist rural hospitals
 27 with the cost of installing radiation protection systems in cardiac catheterization procedure
 28 rooms in which real-time x-ray imaging procedure occur.

29 Arizona state hospital

30 In addition to the appropriation for the department of health services, earnings on
 31 state lands and interest on the investment of the permanent state land funds are appropriated
 32 to the Arizona state hospital in compliance with the enabling act and the Constitution of
 33 Arizona.

34 Department-wide

35 The department of health services shall electronically forward to the president of
 36 the senate, the speaker of the house of representatives, the chairpersons of the senate and
 37 house of representatives appropriations committees and the director of the joint legislative
 38 budget committee a monthly report comparing total expenditures for the month and year-to-date
 39 as compared to prior year totals on or before the thirtieth of the following month. Each
 40 report must include an estimate of potential shortfalls in programs, potential federal and
 41 other monies, such as the statewide assessment for indirect costs, that may be available to
 42 offset these shortfalls, and a plan, if necessary, for eliminating any shortfall without a
 43 supplemental appropriation.

25 Of the \$187,900 appropriated for county reimbursements, state grand jury is limited
26 to \$97,900 and capital postconviction relief is limited to \$90,000.

27 The amount appropriated for probation electronic monitoring system operating costs in
28 fiscal year 2026-2027 shall be used for the continued operation of a statewide mobile
29 electronic monitoring system for sex offenders on probation supervision and may only be used
30 for contracted statewide mobile electronic monitoring platform services, including:

- 31 1. Approved mobile devices and data services.
- 32 2. Software licensing and maintenance.
- 33 3. Officer training.
- 34 4. Contractor compliance intervention services directly related to operation of the
35 program.

36 The administrative office of the courts may authorize participating criminal justice
37 and supervision agencies to use the statewide mobile electronic monitoring platform and
38 related services, which may include the state department of corrections, county sheriff's
39 offices, probation departments, pretrial services, diversion programs and specialty
40 courts. Beginning in fiscal year 2026-2027, the administrative office of the courts shall
41 submit quarterly expenditure, enrollment, compliance and utilization reports for the system
42 to the governor, the president of the senate and the speaker of the house of representatives.

43 [If any monies remain from the appropriation from the probation electronic monitoring system
44 operating costs line item in fiscal year 2026-2027 after satisfying all obligations pursuant
45 to this section, the administrative office of the courts may use the remaining monies to
46 operate the system for other violent offender populations.]

Operating budget

26 All expenditures made by the administrative office of the courts to administer
27 superior court line items shall be funded only from the superior court operating
28 budget. Monies in superior court line items intended for this purpose shall be transferred
29 to the superior court operating budget before expenditure.

Judges

31 Of the 241.5 FTE positions, 183 FTE positions represent superior court judges. This
32 FTE position clarification does not limit the counties' ability to add judges pursuant to
33 section 12-121, Arizona Revised Statutes.

34 All monies in the judges' compensation line item shall be used to pay for fifty
35 percent of superior court judges' salaries, elected officials' retirement plan costs and
36 related state benefit costs for judges pursuant to section 12-128, Arizona Revised
37 Statutes. Monies in the operating lump sum appropriation or other line items intended for
38 this purpose shall be transferred to the judges' compensation line item before expenditure.

39 Pursuant to section 41-1904, Arizona Revised Statutes, as of January 1, 2027, the
40 annual salary for a superior court judge is \$210,000.

Probation

42 Monies appropriated to juvenile treatment services and juvenile diversion
43 consequences line items shall be deposited in the juvenile probation services fund
44 established by section 8-322, Arizona Revised Statutes.

45 Receipt of state probation monies by the counties is contingent on the county
46 maintenance of fiscal year 2019-2020 expenditure levels for each probation program. State
47 probation monies are not intended to supplant county dollars for probation programs.

48 On or before November 1, 2026, the administrative office of the courts shall report
49 to the joint legislative budget committee and the governor's office of strategic planning and
50 budgeting the fiscal year 2025-2026 actual, fiscal year 2026-2027 estimated and fiscal year
51 2027-2028 requested amounts for each of the following:

52 1. On a county-by-county basis, the number of authorized and filled case carrying
53 probation positions and non-case carrying probation positions, distinguishing between adult
54 standard, adult intensive, juvenile standard and juvenile intensive. The report must
55 indicate the level of state probation funding, other state funding, county funding and
56 probation surcharge funding for those positions.

57 2. Total receipts and expenditures by county and fund source for the adult standard,
58 adult intensive, juvenile standard and juvenile intensive probation line items, including the
59 amount of personal services spent from each revenue source of each account.

60 All centralized service payments made by the administrative office of the courts on
61 behalf of counties shall be funded only from the centralized service payments line

1 item. Centralized service payments include only training, motor vehicle payments, CORP
 2 review board funding, LEARN funding, research, operational reviews and GPS vendor payments.
 3 This footnote does not apply to treatment or counseling services payments made from the
 4 juvenile treatment services and juvenile diversion consequences line items. Monies in the
 5 operating lump sum appropriation or other line items intended for centralized service
 6 payments shall be transferred to the centralized service payments line item before
 7 expenditure.

8 All monies in the adult standard probation, adult intensive probation, community
 9 punishment, interstate compact, juvenile standard probation, juvenile intensive probation,
 10 juvenile treatment services, juvenile diversion consequences, juvenile crime reduction and
 11 probation incentive payments line items shall be used only as pass-through monies to county
 12 probation departments. Monies in the operating lump sum appropriation or other line items
 13 intended as pass-through for the purpose of administering a county probation program shall be
 14 transferred to the appropriate probation line item before expenditure.

15 On or before November 1, 2026, the administrative office of the courts shall submit a
 16 report to the joint legislative budget committee on the county-approved salary adjustments
 17 provided to probation officers since the last report on November 1, 2025. The administrative
 18 office shall also submit a copy of the report to the governor's office of strategic planning
 19 and budgeting. The report must include, for each county, the:

- 20 1. Approved percentage salary increase by year.
- 21 2. Net increase in the amount allocated to each probation department by the
 22 administrative office of the courts for each applicable year.
- 23 3. Average number of probation officers by applicable year.
- 24 4. Average salary of probation officers for each applicable year.

34 Of the \$26,014,800 appropriated to the GIITEM line item, \$14,160,900 shall be used
 35 for one hundred department of public safety GIITEM personnel. The additional staff shall
 36 include at least fifty sworn department of public safety positions to be used for immigration
 37 enforcement and border security and fifty department of public safety positions to assist
 38 GIITEM in various efforts, including:

39 1. Strictly enforcing all federal laws relating to illegal aliens and arresting
 40 illegal aliens.

41 2. Responding to or assisting any county sheriff or attorney in investigating
 42 complaints of employment of illegal aliens.

43 3. Enforcing Arizona's law known as the Legal Arizona Workers Act, strictly
 44 enforcing Arizona's SB 1070, Arizona's "Support Our Law Enforcement and Safe Neighborhoods
 45 Act" and investigating crimes of identity theft in the context of hiring illegal aliens and
 46 the unlawful entry into this country.

47 4. Taking strict enforcement action.

48 Any change in the GIITEM mission or allocation of monies shall be approved by the
 49 joint legislative budget committee. The department shall submit an expenditure plan to the
 50 joint legislative budget committee for review before expending any monies not identified in
 51 the department's previous expenditure plans.

52 Of the \$26,014,800 appropriated to the GIITEM line item, only \$1,203,400 is deposited
 53 in the GIITEM fund established by section 41-1724, Arizona Revised Statutes, and is
 54 appropriated for the purposes of that section. The \$1,203,400 is exempt from the provisions
 55 of section 35-190, Arizona Revised Statutes, relating to lapsing of appropriations. This
 56 state recognizes that states have inherent authority to arrest a person for any immigration
 57 violation.

58 Any monies remaining in the department of public safety joint account on June 30,
 59 2027 revert to the funds from which they were appropriated. The reverted monies shall be
 60 returned in direct proportion to the amounts appropriated.

1 On or before September 1, 2026, the department of public safety shall submit an
 2 expenditure plan for the local border support line item to the joint legislative budget
 3 committee and the governor's office of strategic planning and budgeting.

4 The \$13,232,900 appropriated for the local border support line item shall be used to
 5 fund local law enforcement officer positions for border drug interdiction to deter and
 6 apprehend any individuals who are charged with drug trafficking, human smuggling, illegal
 7 immigration and other border-related crimes. The monies shall also be used for grants to
 8 cities, towns and counties for costs associated with prosecuting and detaining individuals
 9 who are charged with drug trafficking, human smuggling, illegal immigration and other
 10 border-related crimes. The department may fund all capital-related equipment.

11 The appropriation made for the onetime vehicle replacement line item is exempt from
 12 the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of
 13 appropriations, until June 30, 2029.

14 The appropriation made by Laws 2025, chapter 233, section 77 in fiscal year 2025-2026
 15 for the Yuma county family advocacy center distribution line item is exempt from the
 16 provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of
 17 appropriations. The department must enter into a new agreement with the recipient of the
 18 monies appropriated by the Yuma county family advocacy center line item to distribute any
 19 remaining funding from the appropriation.

20 Of the amount appropriated in the total appropriation for the department of public
 21 safety, \$190,242,200 is designated for personal services and \$82,210,200 is designated for
 22 employee-related expenditures. The department shall submit an expenditure plan to the joint
 23 legislative budget committee for review before spending these monies for other than personal
 24 services or employee-related expenditures.

30 constitutionality of a law or referendum enacted by the legislature.

31 Monies for the address confidentiality program fund deposit line item may not be
32 transferred to another line item.

33 Before transferring any monies in or out of the election services line item, the
34 secretary of state shall submit a report for review by the joint legislative budget
35 committee.

36 Before spending monies from the election services line item, the secretary of state
37 shall submit a report on the expected amount and purpose of expenditures for the costs of the
38 2026 primary election and 2026 general election to the president of the senate, the speaker
39 of the house of representatives, the joint legislative budget committee and the director of
40 the governor's office of strategic planning and budgeting.

41 The secretary of state may use not more than \$250,000 from the election services line
42 item for direct costs.

43 On or before January 31, 2027, the secretary of state shall submit a report to the
44 joint legislative budget committee and the governor's office of strategic planning and
45 budgeting detailing the actual expenditures from the election services line item for the 2026
46 primary election and the 2026 general election. The report must include the actual
47 expenditures by purpose.

48 Of the amount appropriated to the secretary of state for the electronic records
49 repository line item in fiscal year 2024-2025 by Laws 2024, chapter 209, section 90, \$450,000
50 from the record services fund is exempt from the provisions of section 35-190, Arizona
51 Revised Statutes, relating to lapsing of appropriations, until June 30, 2027.

52 Monies in the access voter information database line item may be used only for the
53 exclusive purpose of developing and administering the statewide database of voter
54 registration information required by section 16-168, Arizona Revised Statutes. The secretary
55 of state may not transfer any monies in or out of the access voter information database line

57 On or before February 1, 2027, the Arizona strategic enterprise technology office
58 shall submit, on behalf of the department of transportation, an annual progress report to the
59 joint legislative budget committee staff. The annual report must provide updated plans for
60 spending the department-dedicated portion of the authorized third-party electronic service
61 partner's fee retention on the motor vehicle modernization project in fiscal year 2026-2027,

1 including any amounts for stabilization, maintenance, ongoing operations, support and
 2 enhancements for the motor vehicle modernization solution, maintenance of legacy mainframe
 3 processing and support capability, and other system projects outside the scope of the motor
 4 vehicle modernization project.

5 On or before August 1, 2026, the department of transportation shall report to the
 6 director of the joint legislative budget committee the state's share of fees retained by the
 7 service Arizona vendor in the prior fiscal year. The report must include the amount spent by
 8 the service Arizona vendor on behalf of this state in the prior fiscal year and a list of the
 9 projects funded with those monies.

10 The department of transportation shall submit an annual report to the joint
 11 legislative budget committee on progress in improving motor vehicle division wait times and
 12 vehicle registration renewal by mail turnaround times in a format similar to prior years. The
 13 report is due on or before July 31, 2027 for fiscal year 2026-2027.

14 Other

15 Of the total amount appropriated, \$198,687,500 in fiscal year 2026-2027 for highway
 16 maintenance is exempt from the provisions of section 35-190, Arizona Revised Statutes,
 17 relating to lapsing of appropriations, except that all unexpended and unencumbered monies of
 18 the appropriation revert to the state highway fund established by section 28-6991, Arizona
 19 Revised Statutes, on August 31, 2027.

20 The amount appropriated to the preventive surface treatments line item is exempt from
 21 the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of
 22 appropriations, except that all unexpended and unencumbered monies of the appropriation
 23 revert to the state highway fund established by section 28-6991, Arizona Revised Statutes, on
 24 August 31, 2027.

25 Of the total amount appropriated, the department of transportation shall pay
 26 \$21,233,800 in fiscal year 2026-2027 from all funds to the department of administration for
 27 its risk management payment.

28 All expenditures made by the department of transportation for attorney general legal
 29 services shall be funded only from the attorney general legal services line item. Monies in
 30 the operating lump sum appropriation or other line items intended for this purpose shall be
 31 transferred to the attorney general legal services line item before expenditure.

32 In accordance with section 35-142.01, Arizona Revised Statutes, reimbursements for
 33 monies expended from the highway maintenance line item may not be credited to the account out
 34 of which the expenditure was incurred. The department shall deposit all reimbursements for
 35 monies expended from the highway maintenance line item in the highway damage recovery account
 36 established by section 28-6994, Arizona Revised Statutes.

37 The amount appropriated in the operating lump sum includes a \$2,000,000 reduction
 38 below the fiscal year 2023-2024 level from the state highway fund established by section
 39 28-6991, Arizona Revised Statutes, in fiscal year 2026-2027 from the department's enforcement
 40 and compliance division.

41 Expenditures made by the department of transportation for ADOT fleet vehicle and
 42 heavy equipment replacement shall be funded only from the ADOT fleet vehicle and heavy
 43 equipment replacement line item. Monies in the operating lump sum appropriation or other
 44 line items intended for this purpose shall be transferred to the ADOT fleet vehicle and heavy
 45 equipment replacement line item before expenditure.

46 The department of transportation may use not more than \$73,300 from the state highway
 47 fund established by section 28-6993, Arizona Revised Statutes, in fiscal year 2026-2027 to
 48 pay prior year invoices.

41 The Arizona board of regents shall distribute monies appropriated for the adaptive
 42 athletics line item to each university under the jurisdiction of the board to maintain and
 43 operate an intercollegiate adaptive athletics program that provides opportunities for
 44 competitive wheelchair and adaptive sports to students and community members with
 45 disabilities. The monies may be spent only when the university collects matching monies of
 46 gifts, grants and donations for the intercollegiate adaptive athletics program from sources
 47 other than this state. Universities may spend the monies only on scholarships, equipment,
 48 uniforms, travel expenses and tournament fees for participants in the intercollegiate
 49 adaptive athletics program. The monies may not be used for administrative costs, personal
 50 services or employee-related expenditures.

51 On or before December 1, 2027, the Arizona board of regents shall submit a report to
 52 the director of the joint legislative budget committee and the director of the governor's
 53 office of strategic planning and budgeting on the Arizona promise program that includes all
 54 of the following for fiscal year 2026-2027:

55 1. The total number of students receiving promise scholarships by each eligible
 56 postsecondary institution.

57 2. The total number of students enrolled at each eligible postsecondary institution
 58 that are eligible to receive federal Pell grants.

59 3. A list of the programs of study in which promise scholarship recipients are
 60 enrolled, including the number of recipients enrolled in each program.

1 4. The average promise scholarship award amount for each eligible postsecondary
2 institution.

3 5. A geographic representation of promise scholarship recipients based on the high
4 school attended.

5 6. The average grade point average of promise scholarships recipients by each
6 eligible postsecondary institution.

7 On or before October 1, 2027, the Arizona board of regents shall submit a report to
8 the director of the joint legislative budget committee and the director of the governor's
9 office of strategic planning and budgeting on spouses of military veterans tuition
10 scholarships that includes all of the following for fiscal year 2026-2027:

11 1. The amount distributed to each eligible postsecondary institution.

12 2. The total number of award recipients by each eligible postsecondary institution.

13 3. The average award amount for each eligible postsecondary institution.

14 In order to be eligible to receive state matching monies under the leveraging
15 educational assistance partnership program for grants to students, each participating
16 institution, public or private, shall provide an amount of institutional matching monies that
17 equals the amount of monies provided by this state to the institution for the leveraging
18 educational assistance partnership program. Administrative expenses incurred by the Arizona
19 board of regents shall be paid from institutional matching monies and may not exceed twelve
20 percent of the monies appropriated in fiscal year 2026-2027.

21 The Arizona board of regents shall distribute monies appropriated for Washington,
22 D.C. internships for program fees and housing costs in equal amounts to each of the three
23 universities under the jurisdiction of the board for the purpose of providing student
24 internships, short-term programs and regional programs in partnership with a third-party
25 organization. Short-term programs include one-week seminars and learning opportunities
26 shorter than one academic semester. The third-party organization must meet the following
27 requirements:

28 1. Have partnerships with Washington, D.C.-based organizations to provide full-time,
29 semester-long student internships and short-term programs.

30 2. Have the ability to place as many students in internships and short-term programs
31 as needed by the universities.

32 3. Have experience placing students in internships for at least ten consecutive
33 years.

34 4. Have dedicated staff to ensure that student interns have access to internships
35 and short-term programs in their areas of interest.

36 Within ten days after the acceptance of the universities' semiannual all funds budget
37 reports, the Arizona board of regents shall submit a current year expenditure plan to the
38 joint legislative budget committee for review. The expenditure plan shall include the use of
39 all projected tuition and fee revenues by expenditure category, including operating expenses,
40 plant fund, debt service and financial aid. The plan shall include the amount by which each
41 expenditure category is projected to increase over the prior year and shall provide as much

1 The increased state general fund appropriation from Laws 2014, chapter 18 may not be
2 used for medical marijuana research.

3 Other than scholarships awarded through the Arizona financial aid trust, the
4 appropriated monies may not be used for scholarships or any student newspaper.

5 The appropriated monies may not be used by the Arizona state university college of
6 law legal clinic for any lawsuits involving inmates of the state department of corrections in
7 which this state is the adverse party.

8 Arizona state university shall use monies appropriated for the eastern Europe
9 cultural collaborative to facilitate cultural and academic exchanges between university
10 faculty and students and academic institutions in eastern Europe.

11 Any appropriated monies allocated by the university for the school of civic and
12 economic thought and leadership shall be used to operate a single stand-alone academic entity
13 within Arizona state university. The appropriated monies may not supplant any existing state
14 funding or private or external donations to the existing centers or to the school. The
15 appropriated monies and all private and external donations for the school, including any
16 remaining balances from prior fiscal years, shall be deposited in a separate account, shall
17 be used only for the direct operation of the school and may not be used for indirect costs of
18 the university. On or before October 1, 2026, the school shall submit a report to the
19 president of the senate, the speaker of the house of representatives, the chairpersons of the
20 senate education committee and the house of representatives education committee and the
21 director of the joint legislative budget committee that includes at least the following
22 information for the school:

- 24 2. A description of faculty positions and courses offered.
- 25 3. The total undergraduate and graduate student enrollment.
- 26 4. Significant community events, initiatives or publications.

27 The chairpersons of the senate education committee and the house of representatives
28 education committee may request the director of the school to appear before the committees to
29 report on the school's annual achievements.

30 The legislature intends that appropriated monies allocated by the university for the
31 school of civic and economic thought and leadership in fiscal year 2026-2027 be consistent
32 with the amount appropriated in fiscal year 2025-2026, except that the university may
33 allocate to the school the lump sum reduction of no more than 2.5 percent as prescribed by
34 this act.

35 Any unencumbered balances remaining in the university collections fund on June 30,
36 2026 and all collections received by the university during the fiscal year are appropriated
37 for operating expenses, capital outlay and fixed charges. Earnings on state lands and
38 interest on the investment of the permanent land funds are appropriated in compliance with
39 the enabling act and the Constitution of Arizona. No part of this appropriation may be spent
40 for supplemental life insurance or supplemental retirement.

16 Sec. 122. Fund balance transfer; state highway fund; fiscal year 2026-2027

17 A. Notwithstanding any other law, on or before June 30, 2027, \$9,700,000 is
 18 transferred from the state highway fund established by section 28-6991, Arizona Revised
 19 Statutes, to the state general fund in fiscal year 2026-2027 for the purpose of providing
 20 adequate support and maintenance for agencies of this state.

21 B. The amount transferred from the state highway fund in subsection A of this
 22 section reflects interest income earned from investment of monies in the state highway fund
 23 from a portion of revenues derived from the tax levied by title 42, chapter 5, articles 1 and
 24 5, Arizona Revised Statutes, that were transferred to the state highway fund by Laws 2022,
 25 chapter 321, section 20, subsection A, paragraph 2.

26 Sec. 123. Appropriation; attorney general; state department of corrections;
 27 opioid remediation; fiscal year 2026-2027; exemption

28 A. In addition to any other appropriation made in fiscal year 2026-2027, the sum of
 29 \$40,000,000 is appropriated from the consumer remediation subaccount of the consumer
 30 restitution and remediation revolving fund established by section 44-1531.02, Arizona Revised
 31 Statutes, in fiscal year 2026-2027 to the attorney general. This amount consists of monies
 32 deposited in the subaccount pursuant to opioid claims-related litigation or settlements.

33 B. On or before July 8, 2026, the attorney general shall transfer the monies
 34 appropriated in subsection A of this section to the state department of corrections opioid
 35 remediation fund established pursuant to section 35-142, Arizona Revised Statutes. If
 36 sufficient monies are not available on July 8, 2026 to complete the transfer of all monies
 37 appropriated in subsection A of this section, on or before July 8, 2026, the attorney general
 38 shall transfer such monies as are then held in the consumer remediation subaccount of the
 39 consumer restitution and remediation revolving fund established by section 44-1531.02,
 40 Arizona Revised Statutes, and not otherwise appropriated by the legislature. If a partial
 41 transfer is made pursuant to the preceding sentence, then within three business days of
 42 receipt of additional monies into the consumer remediation subaccount of the consumer
 43 restitution and remediation revolving fund established by section 44-1531.02, Arizona Revised
 44 Statutes, the attorney general shall transfer such monies to the state department of
 45 corrections opioid remediation fund established pursuant to section 35-142, Arizona Revised
 46 Statutes, and shall repeat such transfer process on receipt of additional monies until the
 47 entirety of the amount appropriated in subsection A of this section has been transferred.

48 C. The state department of corrections shall use the monies in the state department
 49 of corrections opioid remediation fund only for past and current department costs for care,
 50 treatment, programs and other expenditures for individuals with opioid use disorder and any
 51 co-occurring substance use disorder or mental health conditions or for any other approved
 52 purposes as prescribed in a court order, a settlement agreement or the one Arizona
 53 distribution of opioid settlement funds agreement that is entered into by this state and
 54 other parties to the opioid litigation.

55 D. Except as provided in subsection C of this section, the attorney general shall
 56 not impose any conditions on the transfer of the monies in the state department of
 57 corrections opioid remediation fund.

58 E. If the attorney general does not transfer the full amount specified in subsection
 59 A of this section on or before the date specified in subsection B of this section, the
 60 general accounting office of the department of administration shall directly transfer the
 61 amount from the consumer remediation subaccount of the consumer restitution and remediation

1 revolving fund established by section 44-1531.02, Arizona Revised Statutes, to the state
2 department of corrections opioid remediation fund.

3 F. The appropriation made in subsection A of this section is exempt from the
4 provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of
5 appropriations.

6 Payment Deferrals

7 Sec. 124. Reduction in school district state aid apportionment in fiscal year
8 2026-2027; appropriation in fiscal year 2027-2028

9 A. In addition to any other appropriation reductions made in fiscal year 2026-2027,
10 the department of education shall defer until after June 30, 2027 but not later than July 12,
11 2027 \$800,727,700 of the basic state aid and additional state aid entitlement that otherwise
12 would be apportioned to school districts during fiscal year 2026-2027 pursuant to section
13 15-973, Arizona Revised Statutes. The funding deferral required by this subsection does not
14 apply to charter schools or to school districts with a student count of less than four
15 thousand pupils. The department of education shall make the deferral by reducing the
16 apportionment of state aid for each month in the fiscal year by the same amount.

17 B. In addition to any other appropriations made in fiscal year 2027-2028, the sum of
18 \$800,727,700 is appropriated from the state general fund in fiscal year 2027-2028 to the
19 department of education and the superintendent of public instruction for basic state aid and
20 additional state aid entitlement for fiscal year 2027-2028. This appropriation shall be
21 disbursed after June 30, 2027 but not later than July 12, 2027 to the several counties for
22 the school districts in each county in amounts equal to the reductions in apportionment of
23 basic state aid and additional state aid that are required pursuant to subsection A of this
24 section for fiscal year 2026-2027.

25 C. School districts shall include in the revenue estimates they use for computing
26 their tax rates for fiscal year 2026-2027 the monies they will receive pursuant to subsection
27 B of this section.

44 Reporting Requirements and Definitions

45 Sec. 127. Agency spending and encumbrances; quarterly report; fiscal year
 46 2026-2027

47 Within fifteen days of the last day after each quarter in fiscal year 2026-2027, the
 48 department of administration shall report to the director of the joint legislative budget
 49 committee and the director of the governor's office of strategic planning and budgeting the
 50 year-to-date expenditures and year-to-date encumbrances for operating and capital spending
 51 from the state general fund and other agency funds in fiscal year 2026-2027. The information
 52 shall be separately delineated by agency, budget fiscal year and fund source and shall
 53 classify each appropriation by agency lump sum, special line item or project.

54 Sec. 128. COVID-related expenditures; reporting requirements; intent

55 A. Within forty-five days after the last day of each calendar quarter through June
 56 30, 2028, the office of the governor shall report to the president of the senate, the speaker
 57 of the house of representatives, the chairpersons of the senate and house of representatives
 58 appropriations committees and the director of the joint legislative budget committee the
 59 total planned allocations and actual expenditures from the coronavirus state fiscal recovery
 60 fund and the coronavirus capital projects fund as appropriated by section 9901 of the
 61 American rescue plan act of 2021 (P.L. 117-2).

1 B. Within forty-five days after the last day of each calendar quarter through June
2 30, 2028, the superintendent of public instruction shall report to the president of the
3 senate, the speaker of the house of representatives, the chairpersons of the senate and house
4 of representatives appropriations committees and the director of the joint legislative budget
5 committee the total planned allocations and actual expenditures of monies allocated to the
6 superintendent of public instruction from the elementary and secondary school emergency
7 relief fund as appropriated by section 2001 of the American rescue plan act of 2021 (P.L.
8 117-2).

9 C. Reports required pursuant to this section shall delineate expenditures by agency
10 and program and include descriptions of the purposes of the expenditures.

11 D. The legislature intends that the executive branch of state government report on
12 its planned and actual use of any major additional federal aid to this state through federal
13 legislation enacted by the end of fiscal year 2026-2027. The timing and frequency of these
14 reports should be the same as required by subsections A and B of this section. The
15 chairperson and vice chairperson of the joint legislative budget committee may provide
16 recommendations to the executive branch concerning federal legislation that would qualify
17 under this subsection.

18 Sec. 129. Legislative intent; expenditure reporting

19 The legislature intends that all departments, agencies and budget units receiving
20 appropriations under the terms of this act continue to report actual, estimated and requested
21 expenditures by budget programs and budget classes in a format that is similar to the budget
22 programs and budget classes used for budgetary purposes in prior years. A different format
23 may be used if deemed necessary to implement section 35-113, Arizona Revised Statutes, agreed
24 to by the director of the joint legislative budget committee and incorporated into the budget
25 preparation instructions adopted by the governor's office of strategic planning and budgeting
26 pursuant to section 35-112, Arizona Revised Statutes.

27 Sec. 130. Border security; federal reimbursement

28 Pursuant to section 35-142.01, subsection A, Arizona Revised Statutes, if a budget
29 unit receives federal monies in fiscal year 2026-2027 as reimbursement in whole or in part
30 for expenditures made by this state to secure its borders, the budget unit shall promptly
31 deposit the monies in the state general fund. The directors of the budget units that receive
32 reimbursements under this section shall notify the joint legislative budget committee, the
33 governor's office of strategic planning and budgeting and the state comptroller in writing of
34 the deposits.

35 Sec. 131. FTE positions; reporting; definition

36 Full-time equivalent (FTE) positions contained in this act are subject to
37 appropriation. The director of the department of administration shall account for the use of
38 all appropriated and nonappropriated FTE positions, excluding those in the universities. The
39 director of the department of administration shall submit the fiscal year 2026-2027 report on
40 or before October 1, 2027 to the director of the joint legislative budget committee. The
41 report must compare the level of appropriated FTE usage in each fiscal year to the
42 appropriated level. For the purposes of this section, "FTE positions" means the total number
43 of hours worked, including both regular and overtime hours as well as hours taken as leave,
44 divided by the number of hours in a work year. The director of the department of
45 administration shall notify the director of a budget unit if the budget unit's appropriated
46 FTE usage has exceeded its number of appropriated FTE positions. Each university shall
47 report to the director of the joint legislative budget committee in a manner comparable to
48 the department of administration reporting.

49 Sec. 132. Filled FTE positions; reporting

50 On or before October 1, 2026, each agency, including the judiciary and universities,
51 shall submit a report to the director of the joint legislative budget committee on the number
52 of filled appropriated and nonappropriated FTE positions, by fund source, as of September 1,
53 2026.

54 Sec. 133. Transfer of spending authority

55 The department of administration shall report monthly to the director of the joint
56 legislative budget committee any transfers of spending authority made pursuant to section
57 35-173, subsection C, Arizona Revised Statutes, during the prior month.

58 Sec. 134. Interim reporting requirements

59 A. State general fund revenue for fiscal year 2025-2026, including a beginning
60 balance of \$1,367,290,000 and other onetime revenues, is forecasted to be \$18,516,400,000.

1 B. State general fund revenue for fiscal year 2026-2027, including onetime revenues,
2 is forecasted to be \$18,326,800,000.

3 C. State general fund revenue for fiscal year 2027-2028, including onetime revenues,
4 is forecasted to be \$18,287,400,000. State general fund expenditures for fiscal year 2027-
5 2028 are forecasted to be \$18,263,100,000.

6 D. State general fund revenue for fiscal year 2028-2029, including onetime revenues,
7 is forecasted to be \$19,164,600,000. State general fund expenditures for fiscal year 2028-
8 2029 are forecasted to be \$18,922,100,000.

9 E. On or before September 15, 2026, the executive branch shall provide to the joint
10 legislative budget committee a preliminary estimate of the fiscal year 2025-2026 state
11 general fund ending balance. The estimate shall include projections of total revenues, total
12 expenditures and an ending balance. The department of administration shall continue to
13 provide the final report for the fiscal year in its annual financial report pursuant to
14 section 35-131, Arizona Revised Statutes.

15 F. Based on the information provided by the executive branch, the staff of the joint
16 legislative budget committee shall report to the joint legislative budget committee on or
17 before October 15, 2026 whether the fiscal year 2026-2027 revenues and ending balance are
