2 Section 1. Arizona commission on student outcomes; members;
3 duties; reporting requirements; delayed repeal

4 A. The Arizona commission on student outcomes is established to
5 analyze, review and recommend improvements to the current K-12 education
6 system in this state.

7 B. The commission is composed of the following members:

8 1. Three members who are appointed by the speaker of the house of
9 representatives, not more than two of whom are members of the same
10 political party. The speaker of the house of representatives shall
11 designate one of the members to serve as cochairperson of the commission.

12 2. Three members who are appointed by the president of the senate,
13 not more than two of whom are members of the same political party. The
14 president of the senate shall designate one of the members to serve as
15 cochairperson of the commission.

16 3. One member who is appointed by the governor.

17 4. The superintendent of public instruction, or the
18 superintendent's designee.

19 5. One member who represents a nonprofit organization that produces
20 research on economic and educational policies and who is appointed by the
21 speaker of the house of representatives.

22 6. One person who represents a statewide taxpayer organization and
23 who is appointed by the president of the senate.

24 7. One person who represents an organization that represents school
25 district governing boards and who is appointed by the speaker of the house
26 of representatives.

27 8. One person who represents an organization that represents
28 charter schools and who is appointed by the president of the senate.

1 [9. One member who represents an organization that represents
2 school district administrators in this state and who is appointed by the
3 minority leader of the house of representatives.]

4 10. One member who is a teacher in a public school in this state
5 and who is appointed by the minority leader of the senate.]

6 C. Commission members are not eligible to receive compensation but
7 are eligible for reimbursement of expenses pursuant to title 38, chapter
8 4, article 2, Arizona Revised Statutes.

9 D. Meetings of the commission are subject to the requirements of
10 title 38, chapter 3, article 3.1, Arizona Revised Statutes.

11 E. The commission shall appoint an executive director who serves at
12 the pleasure of the commission. The executive director is eligible to
13 receive compensation pursuant to section 38-611, Arizona Revised Statutes.

14 F. The commission shall:

15 1. Analyze school district expenditures of local, state and federal
16 monies to determine how resources are aligned with the core instructional
17 priorities identified by the commission.

18 [2. Review and analyze the adequacy of early childhood education
19 programs and services that are offered in this state.]

20 [2.] [3.] Identify state laws, rules that are adopted by the state
21 board of education and policies that are adopted by school district
22 governing boards or charter school governing bodies that might not direct
23 resources toward positive instructional outcomes.

24 [3.] [4.] Examine barriers and challenges to teacher compensation
25 and workforce readiness.

26 [4.] [5.] Assess whether the oversight and accountability programs
27 and systems enacted by this state are aligned with improving student
28 outcomes rather than compliance with federal laws or regulations.

29 [5.] [6.] Identify barriers to academic innovation that otherwise
30 prevent school districts from adopting effective teaching or instructional
31 models.

32 [6.] [7.] Develop recommendations for the legislature to improve
33 academic standards, statewide assessments, high school graduation
34 requirements, school accountability and the public school finance formula.

35 [8. Conduct a comprehensive study to determine the feasibility of a
36 trade pathways diploma program for high school students who seek to enter
37 a construction, electrical, plumbing, mechanical, utility-infrastructure
38 or other in-demand trade. The commission shall:

39 (a) Identify any barriers to developing and implementing a trade
40 pathways diploma program described in this paragraph and recommend how to
41 address each barrier.

5 commission shall submit a report to the governor, the speaker of the house
6 of representatives, the president of the senate, the chairperson of the
7 education committee of the house of representatives, or its successor
8 committee, and the chairperson of the education committee of the senate,
9 or its successor committee, and shall provide a copy of the report to the
10 secretary of state, that contains the following:

11 1. The status of the commission's work.

12 2. Recommendations for statutory, regulatory and fiscal reforms
13 that the commission believes will support teachers, maximize student
14 resources and improve student outcomes.

15 H. On or before December 1, 2032, the commission shall submit a
16 final report to the governor, the speaker of the house of representatives,
17 the president of the senate, the chairperson of the education committee of
18 the house of representatives, or its successor committee, and the
19 chairperson of the education committee of the senate, or its successor
20 committee, and shall provide a copy of the final report to the secretary
21 of state, that contains the following:

22 1. All studies, data and information that the commission gathered
23 and that relate to the K-12 education system in this state.

24 2. Recommendations for statutory, regulatory or fiscal reforms that
25 the commission believes will improve the K-12 education system in this
26 state.

27 I. The state board of education and department of education shall
28 collect and provide any data or information requested by the commission
