15 400 miles of the world's most robust and advanced border wall, and he has

18 base and fair agreements for international trade; and

19 Whereas, President Trump steadfastly supports a strong military and
20 strengthening our national defense; and

21 Whereas, President Trump's energy plan includes several ambitious
22 policy prescriptions designed to establish American energy dominance and

10 congressional authorization or input from the states, other interested
11 parties and the general public; and

12 Whereas, during his first term in office, 4,000,000 jobs were
13 created, more than 400,000 of those in manufacturing, which is the fastest
14 manufacturing growth rate in more than three decades; and

15 Whereas, during his first term in office, President Trump signed the
16 Executive Order on Modernizing the Regulatory Framework for Agricultural
17 Biotechnology Products, which helped bring innovative new technologies to
18 market in American farming and agriculture; and

20 Regulatory Innovation to reduce outdated regulations at the state, local
21 and tribal levels; and

22 Whereas, during the third quarter of 2020, the economy grew at a
23 rate of 33.1%, the most rapid GDP growth ever recorded; and
