26 7. Two members who are licensed clinical behavioral health
27 specialists, one of whom practices in a county with a population of less

1 than five hundred thousand persons, and who are appointed by the president
2 of the senate.

3 8. Two physicians who are board-certified in either addiction
4 medicine or addiction psychiatry, one of whom practices in a county with a
5 population of less than five hundred thousand persons, and who provide
6 medical care to individuals with substance use disorder and who are
7 appointed by the speaker of the house of representatives.

8 9. One member who represents leadership from a medical society or a
9 physician organization that specializes in treating substance use disorder
10 and who is appointed by the president of the senate.

11 10. One member with substance use disorder who has direct
12 experience with navigating treatment for substance use disorder in this
13 state, who lives in a county with a population of less than five hundred
14 thousand persons and who is appointed by the speaker of the house of
15 representatives.

16 11. One member who represents a membership-based advocacy
17 organization that represents health care providers who specialize in
18 substance use disorder treatment and who is appointed by the president of
19 the senate.

20 12. One member who represents a behavioral health accrediting
21 organization and who is appointed by the speaker of the house of
22 representatives.

27 B. The study committee shall meet at the call of the
28 cochairpersons.

29 C. Members of the study committee are not eligible to receive
30 compensation but are eligible for reimbursement of expenses pursuant to
31 title 38, chapter 4, article 2, Arizona Revised Statutes.

32 D. The study committee shall:

33 1. Conduct a comprehensive survey and research study to assess the
34 availability, capacity and geographic distribution of licensed and
35 unlicensed programs that offer substance use disorder specialty care in
36 this state and evaluate the economic impact, effectiveness and value of
37 implementing statewide minimum standards for evidence-based care.

38 2. Identify gaps in access to and implementation of evidence-based
39 biopsychosocial treatments, workforce capacity needs and resources
40 necessary to support high-quality care delivery across urban and rural
41 settings, including medically supported withdrawal services, medications
42 for opioid use disorder, licensed clinical providers, care coordination
43 and recovery supports.

44 3. Review state laws, rules and oversight structures governing
45 substance use disorder treatment programs, identify regulatory loopholes
46 that allow unlicensed or nonstandard programs to operate without
47 sufficient clinical oversight and processes that enable fraud, waste and

1 abuse, and recommend statutory and administrative changes to close these
2 gaps and align oversight systems.

3 4. Establish minimum clinical quality standards, staff scope of
4 practice expectations, safety and outcome reporting requirements and
5 public transparency mechanisms to ensure accountability, protect patients
6 and provide families and referring providers with clear information to
7 support treatment decision-making.

8 5. Investigate funding needs, reimbursement structures and licensed
9 workforce models required to implement these reforms, including strategies
10 to build and sustain a professional clinical workforce capable of meeting
11 statewide treatment demand and ensuring timely access to evidence-based
12 care.

13 E. On or before December 31, 2027, the substance use disorder
14 treatment standards and oversight study committee shall submit a report
15 regarding the committee's activities, findings and recommendations,
16 including proposed statutory and regulatory changes, funding
17 considerations and implementation timelines, to the governor, the
18 president of the senate and the speaker of the house of representatives
19 and shall provide a copy of this report to the secretary of state.

20 F. This section is repealed from and after June 30, 2028.
