1 The bill as proposed to be amended is reprinted as follows:

2 Section 1. Substance use disorder treatment standards and
3 oversight study committee; membership; duties;
4 report; delayed repeal

5 A. The substance use disorder treatment standards and oversight
6 study committee is established consisting of the following members:

7 1. Two members of the senate who are from different political
8 parties and who are appointed by the president of the senate. The
9 president of the senate shall designate one of these members to serve as
10 cochairperson of the study committee. One member shall be the chairperson
11 of the senate health and human services committee, or its successor
12 committee.

13 2. Two members of the house of representatives who are from
14 different political parties and who are appointed by the speaker of the
15 house of representatives. The speaker of the house of representatives
16 shall designate one of these members to serve as cochairperson of the
17 study committee. One member shall be the chairperson of the house of
18 representatives health and human services committee, or its successor
19 committee.

20 3. The governor or the governor's designee.

21 4. The director of the Arizona health care cost containment system
22 or the director's designee.

23 5. The director of the department of health services or the
24 director's designee.

25 6. The attorney general or the attorney general's designee.

1 7. Two members who are licensed clinical behavioral health
2 specialists, one of whom practices in a county with a population of less
3 than five hundred thousand persons, and who are appointed by the president
4 of the senate.

5 8. Two physicians who are board-certified in either addiction
6 medicine or addiction psychiatry, one of whom practices in a county with a
7 population of less than five hundred thousand persons, and who provide
8 medical care to individuals with substance use disorder and who are
9 appointed by the speaker of the house of representatives.

10 9. One member who represents leadership from a medical society or a
11 physician organization that specializes in treating substance use disorder
12 and who is appointed by the president of the senate.

13 10. One member with substance use disorder who has direct
14 experience with navigating treatment for substance use disorder in this
15 state, who lives in a county with a population of less than five hundred
16 thousand persons and who is appointed by the speaker of the house of
17 representatives.

18 11. One member who represents a membership-based advocacy
19 organization that represents health care providers who specialize in
20 substance use disorder treatment and who is appointed by the president of
21 the senate.

22 12. One member who represents a behavioral health accrediting
23 organization and who is appointed by the speaker of the house of
24 representatives.

25 13. One peer recovery support specialist who is appointed by the
26 speaker of the house of representatives.

27 ~~[14. The director of the joint legislative budget committee or the~~
28 ~~director's designee.]~~

29 ~~[14. One member who represents a county law enforcement agency and~~
30 ~~who is appointed by the president of the senate.]~~

31 B. The study committee shall meet at the call of the
32 cochairpersons.

33 C. Members of the study committee are not eligible to receive
34 compensation but are eligible for reimbursement of expenses pursuant to
35 title 38, chapter 4, article 2, Arizona Revised Statutes.

36 D. The study committee shall:

37 1. Conduct a comprehensive survey and research study to assess the
38 availability, capacity and geographic distribution of licensed and
39 unlicensed programs that offer substance use disorder specialty care in
40 this state and evaluate the economic impact, effectiveness and value of
41 implementing statewide minimum standards for evidence-based care.

42 2. Identify gaps in access to and implementation of evidence-based
43 biopsychosocial treatments, workforce capacity needs and resources
44 necessary to support high-quality care delivery across urban and rural
45 settings, including medically supported withdrawal services, medications
46 for opioid use disorder, licensed clinical providers, care coordination
47 and recovery supports.

1 3. Review state laws, rules and oversight structures governing
2 substance use disorder treatment programs, identify regulatory loopholes
3 that allow unlicensed or nonstandard programs to operate without
4 sufficient clinical oversight and processes that enable fraud, waste and
5 abuse, and recommend statutory and administrative changes to close these
6 gaps and align oversight systems.

7 4. Establish minimum clinical quality standards, staff scope of
8 practice expectations, safety and outcome reporting requirements and
9 public transparency mechanisms to ensure accountability, protect patients
10 and provide families and referring providers with clear information to
11 support treatment decision-making.

12 5. Investigate funding needs, reimbursement structures and licensed
13 workforce models required to implement these reforms, including strategies
14 to build and sustain a professional clinical workforce capable of meeting
15 statewide treatment demand and ensuring timely access to evidence-based
16 care.

17 E. On or before December 31, 2027, the substance use disorder
18 treatment standards and oversight study committee shall submit a report
19 regarding the committee's activities, findings and recommendations,
20 including proposed statutory and regulatory changes, funding
21 considerations and implementation timelines, to the governor, the
22 president of the senate and the speaker of the house of representatives
23 and shall provide a copy of this report to the secretary of state.

24 F. This section is repealed from and after June 30, 2028.
